OPR: HQ USAF/XOOT (Mr. Kyle W. Rensler)

Certified by: HQ USAF/XOO  
(Maj Gen Richard A. Mentemeyer)

Supersedes AFI 11-202, Volume 2, 13 Jul 2001

Pages: 78  
Distribution: F

---

This instruction implements AFD 10-9, *Lead Operating Command Weapon System Management*; AFD 11-2, *Aircraft Rules and Procedures*; and AFD 11-4, *Aviation Service*. It establishes the Aircrew Standardization/Evaluation (Stan/Eval) Program that supports Air Force (AF) objectives and is applicable to all units assigned to or gained by major commands (MAJCOMs) and applies to commanders, operations supervisors and aircrews assigned or attached to all flying activities of these commands. MAJCOMs, field operating agencies (FOAs) and Headquarters United States Air Force (HQ USAF) direct reporting units (DRUs) will supplement this instruction. Units will supplement this instruction (see **Chapter 9**). MAJCOMs, FOAs and DRUs will coordinate their supplement to this instruction with HQ USAF/XOOT before publication and forward one copy to HQ USAF/XOOT after publication. Units will coordinate their supplement with the next higher Numbered Air Force (NAF)/MAJCOM, as applicable, prior to publication. Air Force Reserve Command (AFRC)/Air National Guard (ANG) units will provide a copy of their supplement to their gaining MAJCOM and the active duty NAF with stan/eval oversight responsibility. Units will forward one copy of their supplement to said higher headquarters after publication. Submit suggested improvements to this instruction on AF Form 847, **Recommendation for Change of Publication**, through stan/eval channels, to HQ USAF/XOOT, 1480 Air Force Pentagon, Washington DC 20330-1480. Unless otherwise specified in this instruction, HQ USAF/XOO is the waiver authority for this instruction. Request waivers to the basic guidance in this instruction through applicable stan/eval channels to MAJCOM Director of Operations (DO), or equivalent level. MAJCOM/DOs will forward request in message or memo format to HQ USAF/XOO, with info copies to HQ USAF/XOOT. Waivers to supplemental guidance will be handled by the MAJCOM agency that generated the supplement. Unless otherwise specified in AFI 11-2 Mission Design Series (MDS)-Specific, Volume 2, MAJCOM/DOs are the waiver authority for specific aircrew stan/eval requirements.

The Privacy Act of 1974 affects this instruction. The Privacy Act System Number F011 AF XO A, Aviation Resource Management System (ARMS) covers required information. The authority for maintenance of ARMS is Title 37 U.S.C. 301a (Incentive Pay), Public Law 92-204, Section 715 (Appropriations Act for 1973), Public Laws 93-570 (Appropriations Act for 1974), 93-294 (Aviation Career Incentive Act of 1974), and Executive Order 9397. Records disposition: Ensure that all records created by this AFI are maintained and disposed of IAW AFMAN 37-139, *Records Disposition Schedule*.

---

**(AFSPC)** The OPR for this supplement is HQ AFSPC/XONH (Lt Col Roger Dellinger). This supplement supersedes AFI11-202V2\_AFSPCSUP1, 2 Jan 02. This supplement implements and extends the guidance of **AFI 11-202, Volume 2, *Aircrew Standardization/Evaluation Program*, 17 Jun 02**. The AFI is published word-for-word without editorial review. The Air Force Space Command (AFSPC) supplemental material is indicated in bold face. This supplement describes AFSPC procedures for use in conjunction with the basic AFI. This supplement establishes the Aircrew Standardization/Evaluation (Stan/Eval) program for AFSPC flying activities. This supplement applies to all AFSPC commanders of flying units, Numbered Air Force (NAF) and unit flight examiners and aircrew personnel. This supplement does not apply to Air National Guard or Air Force Reserve Command Units. AFSPC units will send all AF Forms 847, **Recommendation for Change of Publication**, for this publication to Twentieth Air Force Helicopter Operations Section (20 AF/DOH) for coordination. Twentieth Air Force will forward the AF Form 847 to Headquarters Air Force Space Command, Helicopter Operations Branch (HQ AFSPC/XONH), 150 Vandenberg St., Ste 1105, Peterson AFB CO 80914-4200.

## **SUMMARY OF REVISIONS**

**This document is substantially revised and must be completely reviewed.**

This revision incorporates interim change (IC) 2001-1 by adding requirement for the unit stan/eval function to ensure and document the annual review of MTRs (paragraph [3.2.2.10.](#)). Additional provisions of IC-2001-1 were determined to already be covered in existing text or to be out of scope for this instruction. The following is a synopsis of changed requirements set forth in this revision:

Formalizes MAJCOM, NAF and unit responsibilities in the processing of AF Forms 847 for flight and other AF publications (paragraphs [2.3.2.5.1.](#) thru [2.3.2.5.2.](#), [2.3.2.6.2.](#), [2.4.2.3.1.](#) thru [2.4.2.3.2.](#), [3.2.2.9.](#), [3.3.2.5.](#), **Attachment 5**); tasks the OGV to establish procedures to maintain and review unit FEFs (paragraph [3.2.2.2.](#)); changes approving official from MAJCOM/DO to OG/CC (with notification to MAJCOM DO) when designating additional OGV flight examiners (paragraph [3.2.3.3.](#)); requires MAJCOM/DO notification when ARFC/ANG OG/CC designates flight examiners not assigned to squadron/OG (paragraph [3.2.3.4.](#), [3.3.3.3.](#)); deletes paragraph stating that senior flight examiners will normally administer evaluations to lower echelon flight examiners (old paragraph 3.5.5.); deletes the Instrument Refresher Course as a requisite for INSTM evaluations (paragraph [5.2.1.2.](#)); clarifies procedures for instructor evaluations including the use of INIT INSTR designation (paragraphs [5.2.1.4.](#) thru [5.2.1.4.3.](#)); simplifies the requisite completion window (paragraphs [5.2.7.1.](#) and [5.2.7.2.](#)); adds guidance on remedial actions for evaluation deficiencies ([5.2.12.](#) thru [5.2.12.3.](#)); adds guidance for aircrews flying in non-US Air Force Aircraft and with non-US Air Force Units (paragraph [5.2.17.](#)); makes EPE evaluation a requirement for MSN evaluations (paragraph [5.3.1.](#)); requires flight surgeons to complete examination for each aircraft in which they fly as a crewmember (paragraph [6.6.](#)); specifies the date format for all fields in the AF Forms 8 (paragraph [7.3.2.1.](#)); requires the organization and location of the FTU be used on all AF Forms 8 generated for students (paragraph [7.3.4.2.2.](#)); specifies the flight examiner as the party responsi-

ble for the content of the AF Form 8 (paragraph 7.3.6.1.1.1.); directs the flight examiner to be the first dated signature on the AF Form 8 (paragraph 7.3.6.1.1.3.); clarifies documentation responsibilities of any flight examiners who participated in administering an evaluation but did not sign Section III of the AF Form 8 (paragraph 7.3.6.1.3.); directs that the reviewing and final approving officers for AF Forms 8 generated during formal courses will be assigned to the FTU (paragraph 7.3.6.2.2.); directs the examinee to be the last dated signature on the AF Form 8 (paragraph 7.3.6.4.); establishes guidance on the minimum requirements of a temporary evaluation certificate (paragraph 7.3.7.2.); adds additional documentation guidance for ground re-checks (paragraph 7.3.8.3.6.); clarifies documentation procedures for commander directed downgrades (paragraphs 7.3.9.3. thru 7.3.9.3.2.4.); implements changes in format and content of the AF Form 942 (paragraph 7.4.); directs that FEFs be maintained by a stan/eval function wherever they reside (paragraphs 7.5.1.1. and 7.5.1.2.); limits responsibility of unit maintaining FEF to that documentation added after the initial review of the FEF (paragraph 7.5.4.1.1.); implements separation of FEF discrepancies into major and minor categories with only documentation of major discrepancies becoming a permanent part of the FEF (paragraph 7.5.5.); provides guidance for correcting entries on the AF Forms 8 and 942 (paragraph 7.5.5.4.)

**(AFSPC) This document is substantially revised and must be completely reviewed.**

**(AFSPC)** Among other changes, this supplement aligns with the new basic AFI, updates AFSPC office symbols, and revises AF Form 8 Review and Approval criteria.

## Chapter 1

### PURPOSE

**1.1. Aircrew Standardization/Evaluation Program.** The purpose of the Aircrew Stan/Eval Program is to provide commanders a tool to validate mission readiness and the effectiveness of unit flying, including documentation of individual aircrew member qualifications and capabilities.

**1.2. Objectives.** Specific program objectives are to:

- 1.2.1. Develop and ensure standardization of operational procedures for weapon system employment.
- 1.2.2. Ensure compliance with appropriate operational, training, and administrative directives.
- 1.2.3. Evaluate and revise operational directives, procedures, and techniques as required.
- 1.2.4. Provide a system to assess and document individual aircrew proficiency and capability to accomplish assigned flying duties.
- 1.2.5. Recognize trends and recommend/initiate changes to training programs and directives.

## Chapter 2

### HIGHER HEADQUARTERS STAN/EVAL FUNCTIONS AND ORGANIZATION

**2.1. Scope.** Higher Headquarters (HHQ) include Air Staff, MAJCOM and NAF stan/eval functions for the purposes of this instruction.

**2.2. Air Staff.** HQ USAF/XOO:

2.2.1. Sets policy and guides the conduct and execution of the aircrew stan/eval program.

2.2.1.1. Unless otherwise specified in this instruction, HQ USAF/XOO is the waiver authority for this instruction. Request waivers to the basic guidance in this instruction through applicable channels to MAJCOM/DO or equivalent level. MAJCOM/DOs will forward request in message or memo format to HQ USAF/XOO with courtesy copy to HQ USAF/XOOT. Waivers to MAJCOM supplements to this instruction will be addressed to the MAJCOM that generated the supplement.

2.2.2. Assigns HQ USAF/XOOT as the Office of Primary Responsibility (OPR) for this instruction.

2.2.3. Reviews and maintains this instruction.

2.2.4. Monitors and reviews MAJCOM programs ensuring MAJCOM policies, guidance and supplements are adequate.

**2.3. Major Commands.**

**2.3.1. General.**

2.3.1. (AFSPC) Headquarters Air Force Space Command Director for Air and Space Operations (HQ AFSPC/XO) is responsible for the overall management of the H-1 stan/eval program. HQ AFSPC/XONH assumes all lead command responsibilities for H-1s and is the waiver authority for this supplement except when otherwise specified. AFSPC units will forward waivers to this instruction through 20 AF/DOHV/DOH to HQ AFSPC/XONH.

2.3.1.1. MAJCOM stan/eval staffs are primarily responsible for setting policy and establishing administrative processes. Lower echelons of command are primarily responsible for the flying and evaluation functions.

2.3.1.2. MAJCOM stan/eval staffs may fly to maintain current and qualified expertise.

2.3.1.3. ANG and USAF Academy are considered MAJCOMs for purposes of this instruction.

**2.3.2. Functions.** The MAJCOM stan/eval will:

2.3.2.1. Supplement this instruction, if necessary (see paragraph [2.3.4.](#)).

2.3.2.2. In coordination with the MAJCOM designated lead command (see AFPD 10-9), develop and manage the appropriate AFI 11-2 MDS-Specific, Volume 2, *Aircrew Evaluation Criteria*. MDS-specific Volumes 2 will be not less restrictive than this AFI.

2.3.2.2. (AFSPC) AFSPC is designated as the lead command for the H-1 Mission Design Series (MDS). HQ AFSPC/XONH is responsible to coordinate and manage AFI 11-2H-1, Volume 2, *H-1 Aircrew Evaluation Criteria*.

2.3.2.3. Convene conferences and working groups, as necessary, to review and improve command stan/eval policies and procedures.

2.3.2.3. (AFSPC) As the H-1 lead command, HQ AFSPC/XONH convenes inter-command conferences, as necessary, to address common stan/eval issues.

2.3.2.4. Provide staff coordination and control of all Flight Crew Information File (FCIF) items issued from the MAJCOM level to units.

2.3.2.5. Coordinate on and process applicable AF Forms 847:

2.3.2.5. (AFSPC) AFSPC units will send all AF Forms 847 for this publication to 20 AF/DOH/DOHV for coordination. Twentieth Air Force will forward the AF Forms 847 to HQ AFSPC/XONH for MAJCOM coordination. HQ AFSPC/XONH ensures AF Forms 847 common to the H-1 fleet are coordinated through all applicable MAJCOMs before forwarding to the appropriate OPR for adoption. The AF Form 847 coordination can be accomplished at the Flight Manual Command Review Conference (FMCRC) held prior to the Flight Manual Review Conference (FMRC). More timely coordination will be used for urgent AF Form 847 items.

2.3.2.5.1. For flight publications and technical order recommended changes in accordance with (IAW) AFI 11-215, *Flight Manuals Program*.

2.3.2.5.2. For AF publications recommended changes IAW [Attachment 5](#).

2.3.2.6. Assist lead commands with the review, updating and distribution of MDS-specific master question files (MQFs) to using agencies.

2.3.2.6.1. Lead commands are OPR for their respective MQF programs and are responsible for distribution of updated MQFs to user commands and other agencies.

2.3.2.6.2. Using commands will act as conduit for AF Forms 847 that address deficiencies and update questions in the MDS-specific MQFs. Using commands will forward all such AF Forms 847 to the lead command.

2.3.2.7. Coordinate on operational procedures, evaluation criteria and guidance in conjunction with the lead command and other user commands operating like weapon systems.

2.3.2.8. Ensure compliance with AFI 11-215 for flight publications and technical orders.

2.3.2.9. Coordinate with Safety to evaluate aircraft mishaps and determine appropriate corrective actions.

2.3.2.10. In the absence of a NAF stan/eval function, assume responsibilities listed in paragraph [2.4](#). below.

2.3.2.11. Observe/augment NAF stan/eval visits when feasible.

2.3.2.12. Observe execution of unit missions and provide feedback when feasible.

### 2.3.3. **Organization.**

2.3.3.1. MAJCOM Commander will designate the Director of Operations, or equivalent position, responsible for the overall management of the command stan/eval program.

2.3.3.2. MAJCOM stan/eval staff will consist of no more than a section chief and one aircrew member per crew position per MDS.

2.3.4. **Supplement.** MAJCOMs may supplement this instruction to clarify policies and procedures consistent with the USAF Stan/Eval Program and unique mission requirements, IAW AFD 11-2.

2.3.4.1. MAJCOM supplements will not be less restrictive than this instruction.

2.3.4.2. Additional forms required by MAJCOM supplements will be approved and issued as AF Forms if they apply to more than one command.

2.3.4.3. AFRC and ANG supplemental information will be included as a supplement to this instruction for the active duty MAJCOM with oversight responsibility.

2.3.5. **Augmentation.** Each MAJCOM may use examiner augmentees from other MAJCOMs to support or conduct cross command stan/eval program reviews that include aircrew evaluations and inspections with concurrence of all the MAJCOM stan/eval agencies involved.

## 2.4. Numbered Air Forces.

2.4.1. **General.** NAF stan/eval (MAJCOM stan/eval without NAF stan/eval) will maintain a tactical focus and perform the operational role in evaluating unit stan/eval functions within its chain of command.

2.4.1. (AFSPC) 20 AF/DOHV will provide the NAF helicopter stan/eval function for 14 AF units.

2.4.2. **Functions.** The NAF stan/eval function will:

2.4.2.1. Supervise evaluation functions in lower echelon units, in gained units and in ANG/AFRC units for which oversight responsibility is assigned.

2.4.2.2. Conduct stan/eval visits IAW MAJCOM supplements/directives.

2.4.2.3. Coordinate on and process applicable AF Forms 847:

2.4.2.3.1. For flight publications and technical order recommended changes IAW AFI 11-215.

2.4.2.3.2. For AF publications recommended changes IAW [Attachment 5](#).

2.4.2.4. Review and endorse recommended changes to appropriate publications.

2.4.2.5. Provide qualified flight examiners to augment other MAJCOM and NAF agencies when requested (see paragraph [2.3.5](#)).

2.4.2.6. Administer required flight evaluations, when practical, to Chiefs of Stan/Eval or senior stan/eval crews in lower echelon units, in gained units and in ANG/AFRC units for which oversight responsibility is assigned.

2.4.2.7. Observe execution of unit missions and provide feedback when feasible.

2.4.2.8. Review unit supplements to operational procedures, flying guidance and this instruction; making recommendations, as necessary.

2.4.2.9. Review unit Stan/Eval Board (SEB) minutes.

2.4.2.10. Assist MAJCOMs in the creation, review, updating and distribution of required MQFs. NAFs will act as conduit for AF Forms 847 that address deficiencies in and updates to MQFs.

2.4.3. **Organization.** Typical NAF stan/eval staff includes a section chief and one flight examiner per crew position per MDS. Additional flight examiner positions may be authorized by the NAF Commander.

2.4.3. (AFSPC) 20 AF/DOH will determine the level of qualification and/or certification for all 20 AF flying positions.

**2.5. Stan/Eval Visits.** HHQ stan/eval staff may visit units during the administration of formal inspections, Staff Assistance Visits (SAVs) or in an informal capacity.

**2.5.1. General.**

2.5.1.1. The HHQ stan/eval function will coordinate all formal visits (including SAVs) through the MAJCOM gatekeeper and the OG/CC of the flying unit to be visited. *Note:* Gatekeepers monitor all inspection activities within their command and deconflict inspections and evaluations of units to minimize impacts IAW AFI 90-201, *Inspector General Activities*.

2.5.1.1. (AFSPC) 20 AF will conduct Combat Capability Assessments IAW guidance set forth in 20 AF Instruction 90-1. Other higher headquarters inspections will be IAW applicable directives. HQ AFSPC/XONH will facilitate coordination with the HQ AFSPC/IG to ensure HFs are inspected during ORIs/NSIs at space wings with helicopter assets as necessary IAW AFI 90-201, *Inspector General Activities* and AFSPCCCL 11-1, *Helicopter Operations*.

2.5.1.2. The HHQ stan/eval staff members may coordinate directly with the unit for informal visits IAW procedures established in the MAJCOM supplement to this instruction.

**2.5.2. Formal Inspections.**

2.5.2.1. Formal inspections will be defined in the MAJCOM supplement to this instruction.

2.5.2.2. Formal inspections will, as a minimum, ensure subordinate units are in compliance with this instruction, MDS-specific grading criteria and appropriate HHQ guidance.

2.5.2.3. The HHQ stan/eval chief will coordinate with the Operations Group Commander (OG/CC) for all flying by HHQ stan/eval staff aircrew members to accomplish continuation training during formal inspections.

**2.5.3. Staff Assistance Visits.**

2.5.3.1. HHQ stan/eval functions may conduct SAVs to solve specific problems or exchange information. SAVs may cover any stan/eval related area the unit desires.

2.5.3.1. (AFSPC) Normally, a SAV will only be conducted to check corrections to problem areas identified on a prior inspection. Units self-identifying a problem area will coordinate SAVs through 20 AF/CV. A SAV is conducted similarly to a stan/eval visit; however, requesting units must identify specific areas, problems or information to be covered during the SAV.

2.5.3.2. HHQ stan/eval will normally not conduct a SAV in the 6-month period prior to a formal stan/eval inspection.

**2.5.4. Informal Visits.** HHQ stan/eval staff may periodically visit and fly with units on an informal basis to accomplish continuation training, provide feedback to the units and evaluate specific areas of interest as directed by MAJCOM/NAF Commanders. MAJCOM supplements to this instruction will outline procedures for conducting informal visits.

2.5.4. (AFSPC) H-1 Informal Visits. 20 AF/DOH may conduct periodic stan/eval visits, augmented by HQ AFSPC/XONH, when feasible.

2.5.4.1. (Added-AFSPC) These informal, ungraded visits review various facets of the unit stan/eval program to ensure standardization between units and provide feedback for improvement to the unit.

2.5.4.2. (Added-AFSPC) Flight evaluations may be conducted at the request of the unit.

2.5.4.3. (Added-AFSPC) Flying for currency on training and support flights is encouraged.

2.5.4.4. (Added-AFSPC) A written report is not required.

## Chapter 3

### UNIT STAN/EVAL FUNCTIONS AND ORGANIZATION

**3.1. Scope.** Units include levels of organization under HHQs required to establish a stan/eval function for purposes of this instruction. Most units are composed of an Operations Group (OG) and flying squadrons. Where there is no parent OG, squadrons/detachments will assume duties listed for OGs, where applicable.

**3.2. Operations Group.** The conduct of the unit level stan/eval program is directed by the OG/CC.

**3.2.1. Operations Group Commander Responsibilities.** Specific responsibilities of the OG/CC that relate to the stan/eval program:

3.2.1. (AFSPC) The OG/CC may delegate these responsibilities (in writing) to the Helicopter Flight commanders (HF/CCs).

3.2.1.1. Establish and provide manpower to staff a stan/eval function to perform the duties directed by this instruction.

3.2.1.2. Ensure materials provided for mission planning are accurate and current.

3.2.1.3. Provide a suitable stan/eval testing area.

3.2.1.4. Direct evaluations to maintain a quality force.

3.2.1.5. Direct supplementary evaluations.

3.2.1.6. Chair and determine the composition of the SEB.

**3.2.2. Operations Group Stan/Eval Functions.** At the Operations Group Stan/Eval (OGV) level, emphasis is on unit standardization. Under direction of the Chief of OGV, flight examiners will ensure standardization among squadrons and squadron-assigned flight examiners. The OGV will:

3.2.2. (AFSPC) Standardization is ensured through 20 AF stan/eval visits, staff assistance visits and HHQ formal inspections. If an OGV position does not exist, HF/DOVs will fill the OGV roles listed.

3.2.2.1. Establish procedures for review and quality control of AF Forms 8, **Certificate of Aircrew Qualification**.

3.2.2.2. Establish procedures to maintain and review unit Flight Evaluation Folders (FEFs). Document these procedures in unit supplement to this instruction. Maintain unit FEFs, if applicable.

3.2.2.3. Establish procedures for the Aircrew Examination Program according to **Chapter 6** of this instruction. Document Aircrew Examination Program in the unit supplement to this instruction.

3.2.2.4. Establish and maintain a trend program.

3.2.2.4.1. Scope may include, but is not limited to, trend analysis of all evaluations.

3.2.2.4.2. For units with more than one type of aircraft, combine discrepancies common to all aircraft/aircrews to determine trends (e.g., instrument procedures).

3.2.2.4.3. For Formal Training Units (FTUs)/ Combat Crew Training Squadrons (CCTSs), maintain separate trend data for students and qualified/instructor aircrews.

3.2.2.4.4. When trends are noted, recommend corrective action and assign an OPR/Office of Collateral Responsibility (OCR); report trends and status to the OG/CC during the SEB until closed. OGV will publish and define their trends program in the unit supplement to this instruction and maintain trend data for at least one year.

3.2.2.4.4. (AFSPC) 20 AF will collect trend information from AFSPC helicopter units, and disseminate common areas of concern back to the units. Trend information will be included in the quarterly FCB for review by all aircrew members. When required, an OPR will be assigned by HHQ to address negative trends, and to offer a remedy. Suspenses for trend corrective actions will be determined by 20 AF/DOH.

3.2.2.5. Conduct Supplementary Evaluations as directed.

3.2.2.6. Conduct a SEB and publish minutes IAW the minimum outline of this instruction ([Attachment 2](#)) and guidance in the MAJCOM supplement to this instruction.

3.2.2.6. (AFSPC) Conduct SEBs no later than the end of the first week following each quarter (use fiscal year calendar for numbering the quarters). Units will forward copies of their quarterly SEB minutes to 20 AF/DOHV no later than the end of the first week following the unit SEB (within 2 weeks of the end of the quarter). Include electronic copies of AFSPC Form 154, **Aircrew Evaluation Data**, and AFSPC Form 155, **Aircrew Testing Data**. Computer generated alternatives to the AFSPC Forms 154 and 155 may be used. Alternate forms must be approved by 20 AF/DOHV. If for any reason the SEB cannot be accomplished by the required time, units are still required to forward copies of the AFSPC Form 154 and AFSPC Form 155 to 20 AF/DOHV (either faxed or electronic) no later than 2 weeks prior to the end of the quarter. SEB minutes will be signed by the OG/CC. If adverse trends are noted between SEB periods, unit DOVs will notify 20 AF/DOHV.

3.2.2.7. Establish and maintain quality control of the unit FCIF program.

3.2.2.8. Establish procedures to manage the flight publications program.

3.2.2.9. Process AF Forms 847:

3.2.2.9.1. For flight publications and technical order recommended changes IAW AFI 11-215.

3.2.2.9.2. For AF publications recommended changes IAW [Attachment 5](#).

3.2.2.9.3. Forward endorsements for all approved AF Forms 847 received to parent NAF stan/eval function or parent MAJCOM stan/eval function if a NAF stan/eval does not exist (see paragraph [2.3.2.10](#)).

3.2.2.10. Ensure annual operational Military Training Route (MTR) and Air Refueling Track reviews are accomplished and documented in the SEB minutes.

3.2.2.11. Publish a unit supplement of procedures for the implementation of this instruction.

3.2.3. **Operations Group Stan/Eval Organization.** OGV staff will consist of the Chief of Stan/Eval and no more than one flight examiner per crew position per MDS.

3.2.3.1. The Chief of Stan/Eval will be a qualified and current flight examiner in a unit aircraft.

3.2.3.2. The Chief of Stan/Eval will report directly to, and be rated by, the OG/CC, the unit commander for organizations not collocated with a parent wing/group or by the commander designated in the MAJCOM supplement.

3.2.3.3. To meet unique unit requirements, the OG/CC may designate additional OGV flight examiners with written notification to the MAJCOM/DO IAW the MAJCOM supplement to this instruction.

3.2.3.4. For AFRC and ANG units:

3.2.3.4.1. Squadron and OG stan/eval programs may be combined under the OG.

3.2.3.4.2. For combined Squadron and OG Stan/Eval programs, flight examiners, in addition to the Chief of Stan/Eval, will be at the discretion of the OG/CC. The MAJCOM/DO will be notified in writing when individuals are designated as flight examiners and are not assigned to the flying squadron or OGV.

**3.3. Squadron.** The squadron commander is directly responsible to the OG/CC for the conduct of the squadron stan/eval program.

**3.3. (AFSPC) Squadron.** Except where otherwise noted, H-1 Helicopter Flights (HFs) will comply with the provisions of this section, and are considered squadrons for purposes of this supplement. In HFs, the Chief of Stan/Eval reports directly to the HF commander. **Note:** This does not apply to additional duty flight examiners.

**3.3.1. Squadron Commander Responsibilities :**

3.3.1.1. Direct evaluations as required to maintain a quality force.

3.3.1.2. Direct supplementary evaluations as needed (request assistance from OGV if necessary).

3.3.1.3. Designate squadron flight examiners.

3.3.1.4. May designate Standardization/Evaluation Liaison Officers (SELOs) to assist squadron examiners in administrative stan/eval duties.

3.3.1.4. (AFSPC) The HF/CC designates SELOs in writing as an additional duty. Individuals filling the SELO position do not need to be flight examiners as this is largely an administrative function.

3.3.1.5. Annotate all attached HHQ and attached unit flight examiners in the unit letter of certification, ensure designation is recorded in ARMS, and record attachment in SEB minutes (**Attachment 2**).

3.3.1.6. Attend as many evaluation debriefings as practical.

**3.3.2. Squadron/Detachment Stan/Eval Functions.** The focus of the evaluation program is at the squadron level. Its backbone is the program established by the squadron commander and administered by flight examiners embedded within the flying squadron. Squadron stan/eval functions include:

3.3.2.1. Managing and conducting flight and emergency procedures (EP) evaluations as required.

3.3.2.2. Implementing the Aircrew Examination Program in conjunction with evaluations as outlined in unit supplement to this instruction.

3.3.2.3. Implementing the OGV FEF maintenance and review program directed by the unit supplement to this instruction. Maintain FEFs, if applicable.

3.3.2.4. Assisting in managing the unit stan/eval trend program.

3.3.2.5. Reporting recommended changes to flight publication and technical order inadequacies utilizing the AF Form 847 IAW AFI 11-215 and to AF publications IAW [Attachment 5](#).

3.3.2.6. Implementing the flight publications program and ensure compliance with the unit FCIF program.

3.3.2.7. Ensuring proper completion, routing and filing of AF Forms 8.

3.3.2.8. (Added-AFSPC) Convene periodic instructor/evaluator meetings to review training techniques, scheduling and procedures, and to identify both positive and negative trends within the unit. Content, frequency, and the OPR (either DOV or DOT) of unit instructor/evaluator meetings are at the discretion of the HF/CC. No formal minutes are required for these meetings. These meetings should be in addition to the more “formal” quarterly stan/eval meetings.

### **3.3.3. Squadron/Detachment Stan/Eval Organization.**

3.3.3.1. The Chief of Stan/Eval will be a current and qualified flight examiner in a unit aircraft.

3.3.3.2. Squadron stan/eval manning will be as directed by the MAJCOM supplement to this volume.

3.3.3.3. Squadron flight examiners should be assigned to the flying squadron. Individuals attached to the flying squadron may be designated as squadron flight examiners to meet unique mission requirements or flight examiner shortfalls with OG/CC approval and written notification to MAJCOM/DO IAW MAJCOM supplement. Record attachment of such flight examiners in SEB minutes ([Attachment 2](#)).

## Chapter 4

### FLIGHT EXAMINERS

**4.1. General.** The evaluation portion of the Aircrew Stan/Eval Program is administered by flight examiners at both the HHQ and unit levels.

**4.2. Selection.**

4.2.1. Select Flight Examiners from the most highly qualified and experienced instructors (exception: senior flight examiners).

4.2.2. The chief of the respective MAJCOM or NAF stan/eval function will select HHQ flight examiners (exception: senior flight examiners). Selection criteria will include experience in the applicable weapon system and in the stan/eval field.

4.2.3. Senior flight examiner eligibility is defined as flying commanders at the OG and NAF levels.

4.2.4. The OG/CC will select, and designate in writing, all OGV flight examiners. Selection and designation will be annotated in the unit certification document, recorded in ARMS and reported in SEB minutes ([Attachment 2](#)).

4.2.5. The squadron commander will select, and designate in writing, squadron flight examiners. Selection and designation will be annotated in the unit certification document, recorded in ARMS and reported in SEB minutes ([Attachment 2](#)).

4.2.5. (AFSPC) Flight examiner certification training requirements are described in [Attachment 7 \(Added\)](#) of this supplement. During initial certification training crewmembers must observe/demonstrate evaluations within their own crew specialty. Certification training for crewmembers who have previously been evaluators will include items 1.a. and a review of AFSPC supplements under item 1.b. Crewmembers demonstrating a flight evaluation during their evaluator certification training do not sign the AF Form 8. Crew position and duty position on the flight authorization will be IP or IF. Maintain the record of training in the FEF as the evaluator appointment letter.

4.2.6. For AFRC and ANG units:

4.2.6.1. The Air Force advisor may be designated as a flight examiner.

4.2.6.2. Air Technician (AT)/Air Reserve Technician (ART) /Active Guard and Reserve (AGR) serving in a military position that does not require maintaining mission ready/combat mission ready (MR/CMR) status, may perform duties as a flight examiner.

4.2.7. (Added-AFSPC) Unit flight examiners must be assigned to the unit rather than attached to the unit. HQ AFSPC/XO is the waiver authority. (**Note:** Does not apply to HHQ/OGV flight examiners.) Aerial photographer (AP) flight examiners are not considered “attached” to the HF and will maintain a DOV office, with all DOV responsibilities, in their respective squadrons.

**4.3. Functions.** Flight Examiners will:

4.3.1. Conduct flight and EP evaluations as required.

4.3.2. Maintain qualification as instructors (exception: senior flight examiners).

4.3.3. Maintain MR/CMR status as defined in AFI 11-2 *MDS-Specific*, Volume 1 (exception: FTU, HHQ, senior flight examiners, and HHQ-designated test/evaluation units must maintain at least Basic Mission Capable [BMC] status).

4.3.4. Administer evaluations only within their aircrew specialty/weapon system and will only evaluate those missions in which they maintain qualification (exception: SPOT evaluations and where specifically authorized in AFI 11-2 *MDS-Specific*, Volume 2).

4.3.4. (AFSPC) Flight examiners will not administer SPOT evaluations outside of their aircrew specialty.

4.3.5. Conduct a thorough pre-mission briefing and post-mission debriefing to the examinee and applicable aircrew members on all aspects of the evaluation.

4.3.5. (AFSPC) The pre-mission brief includes a review of the evaluation grade sheet explaining the required areas for the evaluation, a discussion of specific crew duties/responsibilities and a review of the critical subareas. For evaluations associated with upgrades, complete the following prior to flight: review training folder for completeness, ensure all syllabus requirements are met, and DO review of the document. The flight examiner will debrief the examinee on all aspects of the evaluation and ensure the examinee understands the overall grade, remarks, and recommendations entered on the AF Form 8, **Certificate of Aircrew Qualification**.

4.3.6. Immediately correct breaches of flying safety or flight discipline during an evaluation (this applies to all aircrew members). If this situation occurs, the flight examiner will also debrief an appropriate unit supervisor and if appropriate, document the deviation on an AF Form 8.

4.3.6. (AFSPC) If the aircraft commander is incompetent or otherwise incapacitated and safe flight is jeopardized, the flight examiner will designate her/himself, or if she/he is not at a set of controls, another fully qualified aircraft commander, in command. Advise the aircraft commander and crew. During any evaluation, flight examiners witnessing significant deviations and/or unsafe airmanship in crew positions in which they are not qualified will report the incident(s) to the unit commander. The commander will take appropriate corrective action. AF Form 8 action is limited to commander directed downgrades for cause as described in **paragraph 6.1.7**.

4.3.7. Immediately notify the examinee's squadron commander/operations officer and flight commander, if available, whenever Qualification Level 2 or 3 ("Q-2" or "Q-3") performance is observed.

4.3.7. (AFSPC) The flight examiner will debrief the unit/flight commander and/or operations officer after each flight evaluation. Debrief of HF/CC and/or HF/DO may be conducted the day following the flight evaluation, if necessary. This debrief may be conducted over the telephone. For OGV or HF/CC evaluations, the OG/CC will be debriefed. For 20 AF/DOH debrief the 20 AF/DO, for all other 20 AF personnel, debrief 20 AF/DOH.

4.3.8. Be authorized to administer evaluations in all flying squadrons within their MAJCOM and respective MDS. MAJCOMs may establish procedures for administering evaluations outside of NAF/unit.

4.3.9. Not administer evaluations outside of their MAJCOM unless specifically requested by the MAJCOM stan/eval agency of the examinee and approved by the MAJCOM stan/eval agency of the examiner.

4.3.9. (AFSPC) Requesting and approval authority is HQ AFSPC/XONH. HF commanders are the requesting and approving authority for examiners to give evaluations outside their units, but within AFSPC.

#### **4.4. Senior Examiner Program.**

4.4.1. Flying NAF/CCs and OG/CCs may maintain flight examiner status in their primary assigned aircraft.

4.4.2. NAF/CCs and OG/CCs do not require, nor do they have to maintain, instructor certification or MR/CMR status. To become a flight examiner, NAF/CCs and OG/CCs must maintain BMC status and be flight examiner certified. For other than SPOT evaluations, Senior Flight Examiners will evaluate only events for which they are current and at a level for which they are qualified.

## Chapter 5

### EVALUATIONS

**5.1. General.** The Aircrew Stan/Eval Program utilizes three types of evaluations to ensure qualification of aircrew members and standardization of operations. Aircrew qualification evaluations are administered periodically and documented on the AF Forms 8 to ensure aircrew qualification. Emergency Procedures Evaluations (EPEs) are requisites for some aircrew qualification evaluations. Supplementary evaluations are unstructured tools to be used by the commander to ensure standardization of flying and other operations.

**5.1. (AFSPC) General.** No flight examiner will evaluate their rater. Higher echelon flight examiners will administer evaluations to lower echelon flight examiners. HHQ flight examiners administer all OGV evaluations. See Table 1 for detailed breakdown of evaluation execution guidance and subsequent AF Form 8 completion.

**5.2. Aircrew Qualification Evaluations.** Aircrew qualification evaluations consist of two structured phases, ground and flight. Each phase requires the completion of requisite tasks. The ground phase, if required, includes a series of examinations and evaluation of aircrew performance in a controlled emergency procedures environment. The flight phase includes an in-flight or, if applicable, simulator evaluation of aircrew performance.

**5.2.1. Aircrew Qualification Evaluation Types.** There are five types of aircrew qualification evaluations that may be further described by four prefixes. Periodic aircrew qualification evaluations are administered to ensure basic qualification in the MDS and crew position of an aircrew member (QUAL), qualification to operate in instrument meteorological conditions (INSTM if applicable) and qualification to employ the MDS of the aircrew member in accomplishing the unit's operational mission (MSN). Provisions are made to periodically ensure aircrew are certified and maintain instructor qualification (INSTR) and provide the flexibility to evaluate and certify specific aircrew performance (SPOT). Aircrew will complete the following types of aircrew certification evaluations as appropriate:

5.2.1.1. QUAL Evaluations. All aircrew will complete a periodic QUAL evaluation in their primary assigned aircraft, to include requisites, as specified in the applicable AFI 11-2 *MDS-Specific*, Volume 2.

5.2.1.2. INSTM Evaluations. All Air Force pilots (and other pilots flying operationally with the Air Force, e.g. exchange pilots) will maintain instrument qualification (exception: indoctrination flyers who fly under the provisions of AFI 11-401, *Flight Management*, USAF Test Pilot School students, and TG-glider pilots). To maintain instrument qualification, pilots must successfully complete a periodic INSTM evaluation, including the requisite open book instrument examination required by AFMAN 11-210, *Instrument Refresher Course Program*.

5.2.1.2.1. A commander may revoke the instrument qualification of any pilot under his/her command who fails to maintain minimum instrument flying skills. To revoke an instrument qualification for reasons not related to an evaluation, use the procedures for a commander-directed downgrade in paragraph 7.3.9.

5.2.1.2.2. A pilot with a revoked or expired instrument qualification may not fly as a pilot except in a training program leading to requalification. Pilots in this situation must be in supervised status.

5.2.1.3. MSN Evaluations. All aircrew members maintaining MR/CMR or BMC aircrew status will complete a periodic MSN evaluation in their primary assigned aircraft, to include requisites, as specified in the applicable AFI 11-2 *MDS-Specific* Volume 2. The MSN evaluation should reflect the type and difficulty of tasks required in the performance of normal operational and training sorties. The requirement for a MSN evaluation may be waived for those aircraft whose performance of normal operational, test and training sorties involves tasks covered during the accomplishment of an INSTM and/or QUAL evaluation as specified in AFI 11-2 *MDS-Specific* Volumes 2. QUAL and MSN evaluations may be combined into a single evaluation as specified in AFI 11-2 *MDS-Specific* Volumes 2.

5.2.1.4. INSTR Evaluations. All aircrew members maintaining instructor qualification in a particular MDS aircraft must complete initial and periodic evaluations of instructional capability in that MDS aircraft.

5.2.1.4.1. To initially qualify as an instructor in a particular MDS aircraft, the aircrew member must successfully complete an initial instructor (INIT INSTR) evaluation. Accomplish INIT INSTR evaluations on actual instructional missions whenever possible. When students are not available or mission requirements/crew composition requirements prevent inclusion of students, the flight examiner may serve as the student for the purpose of evaluating the examinee's instructional ability.

5.2.1.4.1. (AFSPC) Initial Instructor (INIT INSTR) evaluation flights must meet the minimum crew complement (i.e., if an instructor would normally be required on a given flight profile, the crew position must be filled by a qualified instructor). The initial instructor examinee is not considered a qualified instructor until after the evaluation flight is successfully completed. The examinee will be an MP on the flight authorization in accordance with AFI 11-401, AFSPC Supplement 1 and will not log IP time.

5.2.1.4.2. Periodic evaluation of the ability of aircrew members to instruct will be conducted during all subsequent periodic evaluations. The AF Form 8 Mission/Check description for these periodic evaluations will not include INSTR as the AF Form 8 aircraft/crew position is already annotated with highest qualification demonstrated during the evaluation (e.g. IP, IN, IF).

5.2.1.4.2. (AFSPC) Instructors receiving periodic evaluations are considered to be "performing authorized instructional duties" in accordance with AFI 11-401 and will log the total flight time as instructor flight time.

5.2.1.4.3. If instructor qualification is lost in an MDS aircraft, it may be regained through an instructor requalification evaluation (see paragraphs [5.2.3.2.2.](#) and [5.2.3.2.4.](#)) as directed in AFI 11-2 *MDS-Specific*, Volume 1.

5.2.1.5. SPOT Evaluations (Optional). A SPOT evaluation is an evaluation not intended to satisfy the requirements of a periodic (i.e., INSTM, QUAL or MSN) or INIT INSTR evaluation. SPOT evaluations have no specific requisites or requirements, unless specified in MAJCOM supplements. An evaluation begun as a SPOT evaluation may become (and be documented as) a required periodic evaluation if all required flight phase requirements are completed during the SPOT eval

and the examinee subsequently completes all ground phase requirements for the evaluation within the periods described in paragraph 5.2.7. Do not add on missions (flights) to complete the requirements for a periodic evaluation unless the group/squadron commander concurs with the aircrew member's desire to realign the evaluation expiration date and approves the additional flight time requirements. All evaluations not listed in paragraphs 5.2.1.1. - 5.2.1.5. above will be documented as SPOT evaluations. *Note:* When the flight examiner administering a SPOT evaluation is not qualified in the MDS and crew position of the examinee, the evaluation will not be credited towards a periodic evaluation.

**5.2.2. Combined Aircrew Qualification Evaluations.** To promote efficient use of flying resources, accomplish evaluations concurrently, whenever practical. If combined, include the designation of each evaluation in the Flight Phase of the AF Form 8 - e.g., QUAL/MSN or INSTM/QUAL/MSN.

**5.2.3. Aircrew Qualification Evaluation Prefixes.** The following prefixes will be used, if applicable, to further describe the evaluations listed in paragraphs 5.2.1.1. - 5.2.1.5. above:

5.2.3.1. Initial (INIT). The first evaluation of any type for a crew position or instructor qualification in an MDS (e.g., INIT QUAL/INSTM, INIT MSN, INIT INSTR).

5.2.3.2. Requalification (RQ). An evaluation administered to remedy a loss of qualification due to expiration of a required periodic evaluation, loss of currency exceeding 6 months (for currency items as specified in applicable AFI 11-2 *MDS-Specific*, Volume 1), a flight recheck following a failed periodic evaluation (see paragraph 7.3.8. for ground rechecks) or loss of qualification due to a commander-directed downgrade.

5.2.3.2.1. When loss of qualification is for expiration of a required periodic evaluation, the evaluation given will be IAW the guidance for that periodic evaluation. The AF Form 8 Mission/Check description will be documented with an RQ prefix.

**NOTE:** When expiration of a required periodic evaluation is due to failure to complete one or more of the ground phase requisites (see paragraph 5.2.4.), the flight evaluation has successfully been completed within the eligibility period for an in-the-eligibility period evaluation or within the period listed in paragraph 5.2.7.2. for an out-of-the-eligibility period evaluation and the OG/CC determines that qualification will be re-established by completion of the ground requisites without re-accomplishment of the flight evaluation or completed ground requisites as outlined in paragraph 5.2.15., the AF Form 8 Mission/Check description will not be documented with an RQ prefix.

5.2.3.2.2. When loss of qualification is due to loss of currency, the evaluation profile will be as directed by the squadron commander and will include, as a minimum, those items for which the individual is non-current for over 6 months. The AF Form 8 Mission/Check description will be documented with RQ SPOT (exception: when loss of qualification is due to loss of currency for instructor as defined in AFI 11-2 *MDS-Specific*, Volume 1, the AF Form 8 Mission/Check description will be documented with RQ INSTR).

5.2.3.2.3. When loss of qualification is for failure to pass a flight evaluation, the recheck evaluation will be IAW the provisions of paragraph 5.2.13. The AF Form 8 Mission/Check description will be documented with an RQ prefix or RQ SPOT, as applicable.

5.2.3.2.4. When loss of qualification is due to a commander-directed downgrade (see paragraph 7.3.9.), the evaluation profile will be as directed by the commander. The AF Form 8 Mission/Check description will be documented with an RQ prefix or RQ SPOT, as applicable.

5.2.3.2.5. Do not use RQ to prefix a recheck following a failed INIT evaluation. No qualification was achieved, thus requalification is not possible.

5.2.3.2.6. When requalification deals with instructor capability, the AF Form 8 Mission/Check description will be documented with RQ INSTR (not RQ SPOT).

5.2.3.3. No-Notice (N/N). A no-notice evaluation is one where the examinee is notified of the evaluation at or after the beginning of normal preparation for the mission. The beginning of normal preparation for a mission will be determined by the flight examiner and may be defined in the unit supplement to this instruction. The intent is to preclude extraordinary preparation for the mission because it is to be an evaluation.

5.2.3.3. (AFSPC) The flight examiner will notify the examinee no later than brief time.

5.2.3.3.1. The no-notice evaluation program provides commanders a sampling of daily aircrew performance and an assessment of unit training effectiveness.

5.2.3.3.2. If an examinee elects, a no-notice evaluation may update an QUAL/INSTM/MSN evaluation expiration date provided all requirements for the evaluation are completed within the periods described in paragraph 5.2.7. If all requirements were not completed on the first flight, subsequent flights are authorized to complete required events. If the examinee elects not to update a QUAL/INSTM/MSN evaluation expiration date, the evaluation will be documented as a N/N SPOT evaluation.

5.2.3.4. Simulator (SIM). An evaluation where the flight phase requisite is conducted in a simulator.

5.2.3.5. More than one prefix may be used to describe an evaluation (e.g., N/N SIM SPOT). The applicability of any prefixes to portions of any combined evaluations will be explained under Mission Description in the Examiner's Remarks (see paragraph 7.3.5.8.).

5.2.4. **Ground Phase Requisites.** The ground phase for periodic aircrew certification evaluations includes a series of requisites as listed below. See Chapter 6 of this instruction for additional guidance on aircrew examinations.

5.2.4.1. QUAL Evaluations. Open book examination, closed book examination, Boldface/Critical Action Procedures (CAPs) examination (if applicable), EPE and a publications check of all required flight publications.

5.2.4.1. (AFSPC) Unsatisfactory publications checks will be documented in the comments section. See AFI 11-2H-1 V2 for Q criteria.

5.2.4.1.1. Each aircrew member is responsible for required flight publications as outlined in applicable AFI 11-2 MDS-specific series publications.

5.2.4.1.2. Satisfactory performance requires individual flight publications be current and properly posted. In units that do not issue individual aircrew publications, aircrew members are still responsible for the accuracy and currency of all publications required for the mission.

5.2.4.2. INSTM Evaluations. Instrument examination. *Note:* Instrument refresher course (IRC) is not a requisite, but a ground training item, which must be completed according to AFMAN 11-210 and AFI 11-202, Volume 1, *Aircrew Training*.

5.2.4.3. MSN Evaluations. As specified in AFI 11-2 *MDS-Specific*, Volume 2.

**5.2.5. Flight Phase Requisites.** The flight phase for aircrew certification evaluations include execution in the MDS or, if applicable, a suitable simulator of a profile that will allow evaluation of aircrew performance. The profile used to fulfill the flight phase requisite must incorporate all appropriate requirements set in the applicable AFI 11-2 *MDS-Specific*, Volume 2, and allow accurate measure of the proficiency of the examinee. Evaluation profiles will reflect unit tasking, daily training missions, be realistic and incorporate current tactics.

5.2.5.1. (Added-AFSPC) To the greatest extent possible, instrument evaluations should include at least one approach at an airfield other than home station.

5.2.5.2. (Added-AFSPC) Mission evaluations will reflect actual HF mission taskings. The flight examiner will provide the examinee with flight planning requirements or a mission scenario.

5.2.5.3. (Added-AFSPC) Initial mission evaluations will include all mission areas in the formal course Syllabus of Instruction (SOI). Recurring mission evaluations will include a representative sample of unit missions and aircrew qualifications with emphasis on more complex mission areas. In addition, commanders may use SPOT or supplementary evaluations to supplement recurring mission evaluation requirements to observe mission areas not evaluated. Specific requirements for mission evaluations will be outlined in AFI 11-2H-1, Volume 2.

5.2.5.4. (Added-AFSPC) The INIT INSTR evaluation will consist of a sample of qualification, instrument (pilot) and mission subareas. An INIT INSTR evaluation may consist of one or a series of flights. The flight examiner will determine the specific subareas for evaluation. The emphasis on an initial instructor evaluation should be on examinee demonstration of instructional capability. This does not preclude update of a required periodic evaluation if all required flight phase requirements are completed during the instructor flight evaluation and the examinee subsequently completes all ground phase requirements for the evaluation within the specified period. Label the evaluation appropriately (EXAMPLE: "INIT INSTR/MSN"). Do not add on missions (flights) to complete the requirements for a periodic evaluation unless the HF commander concurs.

#### **5.2.6. Timing of Aircrew Qualification Evaluations.**

5.2.6.1. **Expiration Date.** Required periodic evaluations expire on the last day of the 17th month following the month in which the flight phase was successfully flown (e.g. a periodic evaluation in which the flight phase was completed on 9 Oct 01 expires on 31 Mar 03.).

5.2.6.2. **Scheduling.** Schedule periodic evaluations in the eligibility period (6-month period prior to expiration date).

5.2.6.2. (AFSPC) Do not plan to schedule individuals to update periodic evaluations in conjunction with upgrade training program end-of-training evaluations unless the end-of-training evaluation is forecasted to occur in the first 4 months of the eligibility period. If the training program is scheduled to end in the last two months of the eligibility period, the crewmember will be given any required evaluations prior to beginning the upgrade program. Waiver authority for this provision is 20 AF/DOH. Units will not intentionally allow crewmembers to go overdue for a check ride.

5.2.6.3. **Requirements Before Permanent Change of Station/Temporary Duty.** If a periodic evaluation will expire within 3 months after the proposed departure for Permanent Change of Station (PCS) or during an upcoming Temporary Duty (TDY), complete the required evaluation(s) before departing for either the PCS or TDY.

5.2.6.3.1. Obtain a MAJCOM stan/eval agency waiver for unusual situations.

5.2.6.3.2. MAJCOM stan/eval agency waivers are not required for individuals who will PCS/ Permanent Change of Assignment (PCA) to a non-flying assignment or those departing PCS or TDY for retraining in another aircraft type.

5.2.6.4. **Squadron Commander-Extended Evaluations.** Squadron commanders may extend the expiration date of periodic evaluations up to 3 months for the reasons listed below. Document such extensions with a Memo for Record placed in Section II of the FEF.

5.2.6.4.1. Individuals assigned PCS/PCA to a non-flying assignment.

5.2.6.4.2. Individuals departing PCS or TDY for retraining in another aircraft type.

5.2.6.4.3. Individuals undergoing unit aircraft conversion.

5.2.6.4.4. Individual removal from active flying status (e.g. separation or retirement from the Service).

5.2.6.4.5. Individuals participating in real world operations (to include operations other than war, alert, etc.) who are not able to complete the required flight evaluation(s) before or during deployment.

5.2.7. **Requisite Completion.** One set of requisites may be used to satisfy the requirements of combined evaluations as defined in AFI 11-2 *MDS-Specific*, Volume 2. Requisites from a completed evaluation may not be used for subsequent evaluations. For pilots possessing multiple instrument qualifications, the instrument exam may count for separate evaluations provided the instrument exam occurs for each evaluation IAW the provisions of paragraphs 5.2.7.1. and 5.2.7.2. For all evaluations, accomplish requisites as follows:

5.2.7. (AFSPC) For evaluations at the end of a formal upgrade, all requisites will be completed prior to the evaluation.

5.2.7.1. **In-the-Eligibility Period.** For scheduled or no-notice periodic evaluations in the eligibility period, all requisites must be completed within the 6-month eligibility period prior to the expiration date of the current evaluation period to update that expiration date.

5.2.7.2. **Out-of-the-Eligibility Period.** For periodic evaluations outside the eligibility period, all requisites must be completed within a 6-month period encompassing the month in which the flight evaluation was administered.

5.2.7.3. **Recheck.** For evaluations used to remedy a failed evaluation:

5.2.7.3.1. Requisites that were valid for the failed evaluation per paragraph 5.2.7.1. or 5.2.7.2. above remain valid to update an evaluation expiration date upon successful recheck according to paragraph 5.2.13.1.

5.2.7.3.2. Requisite completion dates from the Q-3 AF Form 8 will not be annotated on the recheck AF Form 8. The recheck AF Form 8 will only include documentation of the flight phase evaluation.

5.2.8. **Alternate Means of Evaluation.** When in-flight evaluation of a required area is not possible, the area may be evaluated verbally or in an Aircrew Training Device (ATD). Flight examiners will make every effort to evaluate all required areas in-flight before resorting to this provision. See the appropriate AFI 11-2 *MDS-Specific*, Volume 2 for areas prohibited from verbal/ATD evaluation.

5.2.8. (AFSPC) When a required area is verbally evaluated, the flight examiner will explain why the area could not be accomplished in flight in the comments on the AF Form 8. No comments are necessary if an optional area is not accomplished in flight.

5.2.9. **Evaluation Criteria Source.** The MAJCOM designated as lead command in AFD 10-9, in coordination with other user commands, will establish and maintain standardized QUAL, INSTM, MSN and INSTR evaluation criteria in the appropriate AFI 11-2 *MDS-Specific*, Volume 2. The lead command is responsible for coordinating the establishment of:

5.2.9.1. Areas/subareas to be used for documenting required evaluations including those required and critical for evaluation completion.

5.2.9.2. Criteria for Publications Check.

5.2.9.2.1. Each aircrew member is responsible for required flight publications as outlined in applicable AFI 11-2 MDS-specific series publications.

5.2.9.2.2. Satisfactory performance requires individual flight publications be current and properly posted. In units that do not issue individual aircrew publications, aircrew members are still responsible for the accuracy and currency of all publications required for the mission.

5.2.9.3. Cockpit/Crew Resource Management (CRM) evaluation criteria in the appropriate areas/subareas. Use AFI 11-290, *Cockpit/Crew Resource Management Training Program*, and AF Form 4031, **Cockpit/Crew Resource Management Skills Criteria**, as references

5.2.9.4. Criteria to ensure operations comply with National Airspace System (NAS) rules and procedures. Specifically, ensure compliance with minimum safe maneuvering speeds below 10,000 ft MSL and NAS awareness in all areas of mission planning and flight operations.

5.2.10. **Grading System.** A two-tiered grading system is used to evaluate and document aircrew performance. Individual scores are recorded for examinations while areas/subareas of aircrew performance are individually graded against established evaluation criteria. Performance less than fully qualified is documented. An overall qualification level is determined from the compilation of these individual scores/grades.

5.2.10. (AFSPC) Do not change an evaluation into a training flight. This does not preclude accomplishing training after the evaluation is complete. Additional training accomplished to clear a subarea graded Q-/U may not be accomplished on the same flight as the evaluation.

5.2.10.1. **Written, Computer Based or Electronic Examinations.** Grade written, computer based or electronic examinations as a percentage of correct answers. See paragraph [6.4.4.1](#) for minimum passing grade specifics.

5.2.10.2. **Boldface/CAPs.** Grade Boldface/CAPs examinations as either Qualified (Q) or Unqualified (U).

5.2.10.3. **Area/Subarea Grades.** AFI 11-2 *MDS-Specific*, Volume 2, will establish areas and subareas to be evaluated and the appropriate grading criteria for those areas/subareas. Areas will have a two-level (Q/U) or three-level (Q/Q-/U) grading system. The overall area grade will be the lowest of any subarea grade awarded.

5.2.10.3.1. Q. Q is the desired level of performance. The examinee demonstrated a satisfactory knowledge of all required information, performed aircrew duties within the prescribed tolerances and accomplished the assigned mission.

5.2.10.3.2. Q-. Q- indicates the examinee is qualified to perform the assigned area tasks, but requires debriefing or additional training as determined by the flight examiner. Deviations from established standards must not exceed the prescribed Q- tolerances or jeopardize flight safety.

5.2.10.3.3. U. Assign a U area grade for any breach of flight discipline, performance outside allowable parameters or deviations from prescribed procedures/tolerances that adversely affected mission accomplishment or compromised flight safety. An examinee receiving an area grade of U normally requires additional training. When, in the judgment of the flight examiner, additional training will not constructively improve examinee's performance, it is not required. In this case, the flight examiner must thoroughly debrief the examinee.

5.2.10.4. **Qualification Levels** . EPE and overall evaluation performance are graded by qualification levels as follows:

5.2.10.4.1. Qualification Level 1 (Q-1). The aircrew member demonstrated desired performance and knowledge of procedures, equipment and directives within tolerances specified in the grading criteria. This will be awarded when no discrepancies were noted and may be awarded when discrepancies are noted if:

5.2.10.4.1.1. The discrepancies resulted in no U grades being given in any area(s)/sub-area(s).

5.2.10.4.1.2. In the judgment of the flight examiner, none of the discrepancies preclude awarding of an overall Qualification Level 1.

5.2.10.4.1.3. All discrepancies noted during the evaluation were cleared during the debrief of that evaluation.

5.2.10.4.2. Qualification Level 2 (Q-2). The aircrew member demonstrated the ability to perform duties safely, but:

5.2.10.4.2.1. There were one or more area(s)/subarea(s) where additional training was assigned.

5.2.10.4.2.2. A non-critical area/subarea grade of U was awarded.

5.2.10.4.2.3. In the judgment of the flight examiner, there is justification based on performance in one or several areas/subareas.

5.2.10.4.2.4. (Added-AFSPC) Aircrew members receiving a Q-2 will continue to fly as a qualified crewmember while satisfying any additional training requirements.

5.2.10.4.2.5. (Added-AFSPC) If the Q-2 was assigned for an evaluation completing an upgrade, the examinee will not fly in the new qualification until the additional training has been completed to clear the Q-2.

5.2.10.4.2.6. (Added-AFSPC) An instructor or flight examiner graded Q-2 on any evaluation will not perform instructor or examiner duties until additional training is successfully

accomplished. Document this restriction in the comments section on the AF Form 8. Refer to paragraph **7.3.5.5.4. (Added)** for procedures to lift this type of restriction.

5.2.10.4.3. Qualification Level 3 (Q-3). The aircrew member demonstrated an unacceptable level of safety, performance or knowledge.

5.2.10.4.3.1. An area grade of U awarded in a critical area requires an overall Q-3 for the evaluation.

5.2.10.4.3.2. An overall Q-3 can be awarded if, in the judgment of the flight examiner, there is justification based on performance in one or several areas/subareas.

#### 5.2.11. Grading Policies.

5.2.11.1. **Requisite Examinations.** The flight examiner will consider performance on requisite examinations in assigning the overall qualification level.

5.2.11.2. **Performance Areas/Subareas.** Use the grading criteria in the applicable 11-2 *MDS-Specific*, Volume 2, to grade areas/subareas accomplished during an evaluation.

5.2.11.2.1. The flight examiner must grade the areas/subareas listed as “required” in the general and specific evaluation sections of the applicable 11-2 *MDS-Specific*, Volume 2.

5.2.11.2.2. The flight examiner may grade any area/subarea accomplished during an evaluation if performance in that area/subarea impacts the specific evaluation accomplished or flight safety.

5.2.11.2.3. Grading criteria tolerances assume smooth air and stable aircraft conditions.

5.2.11.2.4. Minor momentary deviations from grading criteria tolerances are acceptable, provided the examinee applies prompt corrective action and such deviations do not jeopardize flight safety. Consider cumulative deviations when determining the overall area/subarea grade.

#### 5.2.11.3. Overall Qualification Levels .

5.2.11.3.1. The overall qualification level awarded an evaluation is based on performance during both the flight and ground phases. This grade should be awarded only after all evaluation requirements have been completed and given due consideration.

5.2.11.3.2. To receive a qualified grade on an evaluation, the aircrew member must satisfy the criteria set forth in the applicable *MDS-Specific*, Volume 2 and demonstrate ability to operate the aircraft and/or equipment safely and effectively during all phases of an evaluation.

5.2.11.3.3. Overall qualification grades will be a cumulative process. While AFI 11-2 *MDS Specific*, Volume 2, guidance may dictate the highest grade for a flight or EPE based on area and subarea performance, flight examiner judgment will always be the determining factor in deciding the overall qualification level.

5.2.12. **Remedial Action.** All grades of Q- or less require action to remedy the discrepancy and/or deficiency in performance while maintaining flight and operational safety. Remedial action includes debriefing discrepancies, assignment of additional training and imposing of flight restrictions.

5.2.12.1. **Debriefed Discrepancy.** Remedial action accomplished during debrief of the evaluation wherein the flight examiner provides briefing/instruction concerning the discrepancy and determines that the examinee has gained the necessary knowledge or proficiency to remedy the

discrepancy. The discrepancy area/subarea description is annotated with “Debriefed” in paragraph B of the Examiner’s Remarks section of the AF Form 8 Comments.

5.2.12.2. **Additional Training.** Any training recommended by a flight examiner to remedy deficiencies identified during an evaluation.

5.2.12.2. (AFSPC) Unit commanders will make the final determination as to the actual additional training assigned.

5.2.12.2.1. Additional training may include self-study, ground instruction, use of a simulator or flying. To complete additional training, the examinee must demonstrate attainment of satisfactory knowledge or proficiency.

5.2.12.2.2. Additional training is documented in paragraph C, Recommended Additional Training, under Examiner's Remarks in the AF Form 8 Comments. Description of assigned additional training will include how satisfactory knowledge or proficiency will be demonstrated to a flight examiner, supervisor or instructor.

5.2.12.2.3. Due dates and dates on which additional training is completed will be documented in the appropriate areas of the AF Form 8 (see paragraphs 7.3.5.6. and 7.3.5.7.).

5.2.12.2.4. Commanders will ensure required additional training is completed. Accomplish additional training by the last day of the second month following the date of the discrepancy, e.g. for an evaluation on 21 Jan 02, additional training due 31 Mar 02. AFRC/ANG accomplish additional training by the last day of the third month following the date of the discrepancy. If an aircrew member exceeds the allotted time for completion of additional training, the squadron commander will review the situation and direct appropriate action. Document the circumstances with a Memo for Record placed in Section II of the FEF of the affected individual.

### 5.2.12.3. **Restrictions.**

5.2.12.3.1. When called for by this instruction or deemed necessary in the judgment of the flight examiner, flight restrictions will be imposed on the examinee until successful completion of assigned additional training and/or a recheck.

5.2.12.3.2. Restrictions should address the specific phase of flight and/or operation that requires supervision until successful retraining is completed. Restrictions are not punitive, but designed to enhance flight and operational safety.

5.2.12.3.2. (AFSPC) Do not use restrictions for administrative reasons (insufficient hours for NVG instructor, not completed with a upgrade, etc.). Do not place a restriction for qualifications that are not held by the examinee (e.g. completed an NVG upgrade but is not Tac qualified).

5.2.12.3.3. Specific restrictions will be documented as the first item of the AF Form 8 Comments.

### 5.2.13. **Failure to Pass a Flight Evaluation .**

5.2.13.1. **Recheck.** If an aircrew member fails a flight evaluation, a successful recheck must be completed by the end of the second month after the date of the first failure, e.g. for an evaluation on 20 Jun 02, complete recheck by 31 Aug 02. AFRC/ANG accomplish recheck by the last day of

the third month following the date of the first failure. A recheck is successfully completed when the aircrew member performs to Q criteria (Q or Q-/debriefed) for each area graded U. OG/CCs may approve waivers to the time limits in this paragraph on a case-by-case basis. Document such action with a Memo for Record placed in Section II of the FEF. Every reasonable effort must be made to requalify the individual. Commanders will determine the number of flights to be allowed during this period, based on the individual's experience level, present qualifications and number of hours of training required.

5.2.13.1. (AFSPC) If an instructor or evaluator fails to pass a flight evaluation they maintain their instructor or evaluator status. The recheck will cover, as a minimum, the unsatisfactory items from the original evaluation and will return the examinee to their original crew position. The HF/CC may elect not to return the examinee to the instructor crew position and complete the recheck to a lower crew position. Refer to paragraph 7.3.9.1. for criteria to determine if a downgrade in crew position is warranted. The commander will document the reason for the downgrade under "Approving Officer's Remarks".

5.2.13.2. **Status Downgrade.** Downgrade aircrew members receiving a Q-3 INSTM, QUAL or MSN evaluation to non-mission ready (NMR)/non-combat mission ready (N-CMR), non-basic mission capable (N-BMC), or non-basic aircraft qualified (N-BAQ) status, as applicable. For instructor evaluations, aircrew status (i.e., MR/CMR or BMC) need not be downgraded if the discrepancies were only in instructor areas.

5.2.13.3. **Restrictions.** Restrict aircrew failing to complete an evaluation within the required period (see paragraph 5.2.15.) or receiving a Q-3 on an evaluation, as listed below, until a successful evaluation is completed:

5.2.13.3.1. QUAL or INSTM Evaluation. Place the examinee on supervised status.

5.2.13.3.2. MSN Evaluation. The examinee may perform basic qualification/ instrument tasks unless specifically restricted. Place the examinee on supervised status for mission tasks.

5.2.13.3.3. INSTR Evaluation. Instructors receiving an unsatisfactory grade in any instructor area(s) will not perform instructor duties until a successful recheck is completed.

5.2.14. **Supervised Status.** If unsatisfactory performance requires the aircrew member be placed on supervised status, the type of supervisor (i.e., instructor or designated supervisor) will be determined by the squadron commander (or equivalent) and as specified in AFI 11-2 *MDS-Specific*, Volume 1. Supervision will be accomplished by instructors or designated supervisors (as specified in AFI 11-2 *MDS-Specific*, Volume 1) qualified in the specific aircrew position.

5.2.15. **Failure to Complete an Evaluation within the Required Period.** If an aircrew member fails to complete an evaluation (either ground phase or flight phase) within the eligibility period for an in-the-eligibility period evaluation or within the period listed in paragraph 5.2.7.2. for an out-of-the-eligibility period evaluation, the aircrew member loses the qualification covered by the evaluation and the restrictions of paragraph 5.2.13.3. apply. Qualification may be re-established by administering a requalification evaluation (see paragraph 5.2.3.2.) or by completion of the delinquent evaluation. OG/CCs may approve waivers to preclude the re-accomplishment of completed requisites to complete the evaluation on a case-by-case basis. Document such action with a Memo for Record placed in Section II of the FEF.

5.2.16. **Multiple Qualification.** For aircrew members (other than those in a Companion Trainer Program) who maintain qualification in two or more mission design aircraft (e.g., F-16 and F-15) according to AFI 11-202, Volume 1, the following guidance applies (for purposes of this instruction, different series [models] of the same basic aircraft do not constitute multiple qualification - e.g. F-16C and F-16CG):

5.2.16.1. **Documentation.** Document MAJCOM authority for multiple qualification, including a list of aircraft in which qualification will be maintained, in a Memo for Record placed in Section II of the FEF. (For Air Force Materiel Command [AFMC], MAJCOM authority may be delegated, but not lower than wing commander.)

5.2.16.2. **Instrument Evaluation.** Pilots need only complete an INSTM evaluation, to include requisites, in one of the aircraft in which they maintain qualification as specified by the authorizing MAJCOM unless additional INSTM evaluation requirements are directed by the MAJCOM in its supplement to this instruction.

5.2.16.3. **Qualification and Mission Evaluations.** All aircrew require a QUAL evaluation, and, if applicable, a MSN evaluation, to include requisites, in each mission design aircraft according to applicable AFI 11-2, *MDS-Specific*, Volumes 2.

5.2.16.4. **Failure to Pass a Flight Evaluation.** A Q-3 on an INSTM evaluation results in a downgrade in all aircraft flown. A downgrade resulting from a Q-3 in QUAL or MSN evaluation applies only to the aircraft for which the evaluation was administered.

5.2.17. **Aircrews Flying in Non-US Air Force Aircraft and with Non-US Air Force Units.** Aircrew members performing duties in non-US Air Force aircraft per AFI 11-401, or on duty with or attached to non-US Air Force units for flying, abide by host service or host country rules, except for the requirement to maintain a current physical and review their flight records according to AFI 11-202, Volume 1. They do not necessarily abide by USAF rules, including AFI 11-202, Volume 2, and AFI 11-2 *MDS-Specific*, Volume 2. Therefore, when they return to USAF units, they must complete applicable requisites and be evaluated for any periodic USAF evaluations that expired during their tour. The restrictions in paragraphs 5.2.13.3.1. through 5.2.13.3.3. of this instruction apply to such individuals until successful evaluations are completed. (Exception: MAJCOM/DOV may approve exceptions to this paragraph, if, after case-by-case review, they determine non-USAF evaluations are equivalent to applicable AFI 11-2 *MDS-Specific*, Volume 2 evaluations. Document such action with a Memo for Record placed in Section II of the FEF on top of the non-USAF AF Form 8 equivalent.) *Note:* Air Force units that use non-US Air Force aircraft to execute an Air Force flying program may use Air Force guidance, as permitted in the applicable Memorandum of Agreement/Understanding.

### 5.3. Emergency Procedures Evaluations .

5.3.1. **Scope.** Evaluate an aircrew member's knowledge of MDS EPs and systems knowledge for all QUAL evaluations; evaluate MSN specific emergency procedures and systems knowledge during MSN evaluations. Only one EPE need be accomplished for each combined evaluation (i.e., one EPE for an INSTM/QUAL or INSTM/QUAL/MSN evaluation).

5.3.2. **Satisfactory Performance.** Satisfactory performance for EPEs requires taking the proper action in the correct sequence, not a verbatim response. Each aircrew member is responsible for the Boldface/CAPs applicable to their crew position.

5.3.3. **Content and Administration.** AFI 11-2 *MDS-Specific*, Volume 2, will specify contents of EPEs and whether EPEs may be done in-flight, in an ATD, or verbally.

5.3.4. **Grading.** The flight examiner will assign an EPE grade (1, 2 or 3) in the Qualification Ground Phase block of the AF Form 8, regardless of whether all or a portion of the EPE was performed in-flight.

5.3.5. **Additional Training.** For an EPE requiring additional training, the flight examiner will indicate if the additional training will be accomplished before the flight evaluation under restrictions in the Comments block of the AF Form 8.

5.3.6. **Boldface/CAPs Failure.** An incorrect response to a Boldface/CAP situation during an EPE requires an unqualified (Q-3) EPE grade. An aircrew member who receives a Q-3 grade as a result of Boldface/CAPs error will not fly until a successful reevaluation is accomplished.

5.3.6. (AFSPC) Pilots and flight engineers are responsible for all Bold Face/Critical Action Procedures.

5.3.7. **Unqualified EPE.** An examinee receiving an unqualified EPE grade (Q-3) will be placed on supervised status until a successful reevaluation is accomplished.

**5.4. Supplementary Evaluations.** Supplementary evaluations are administrative tools to be used by the commander to identify and evaluate implemented solutions to operational problems. These evaluations are most often administered as inspections (using specifically prepared checklists) whose results are reported to the commander. The form and content of supplementary evaluations is entirely at the discretion of the commander.

5.4.1. Supplementary evaluations are not aircrew qualification evaluations.

5.4.2. Commanders will determine evaluated areas. The stan/eval function will determine the method of evaluation, is responsible for administrative management of data collection and will report results as directed by the commander.

5.4.3. Individuals other than flight examiners, as determined by the OG/CC, may conduct supplementary evaluations.

5.4.4. Supplementary evaluations may be administered in conjunction with a flight evaluation. If conducted in-flight, supplementary evaluations should not be all encompassing, result in the assignment of an overall rating for any specific aircrew member or be documented on an AF Form 8.

5.4.5. Supplementary evaluation results will be documented in SEB minutes.

## Chapter 6

### AIRCREW EXAMINATION PROGRAM

**6.1. Purpose.** The Aircrew Examination Program measures aircrew member knowledge of normal/emergency procedures, threats and other information essential for the safe and effective operation of their assigned weapon system through the administration of written, computer based or electronic examinations. Poor testing performance on examinations indicates areas requiring increased training emphasis.

**6.2. Scope.** The Aircrew Examination Program includes requisite examinations for periodic evaluations, unit periodic examinations and Flight Surgeon examinations. Requisite examinations include qualification open book and closed book examinations, instrument examinations and Boldface/CAPs examinations as described in paragraph 5.2.4. The ability to focus on specific knowledge areas is enhanced by the management of examination content and use of appropriate master question files.

#### 6.3. Administrative Procedures.

6.3.1. **Program Documentation.** Units will describe the unit aircrew examination program in the unit supplement to this instruction.

6.3.2. **Computer Based or Electronic Examinations.** Computer based or electronic information management tools may fulfill the requirement for examinations as outlined in this instruction.

6.3.3. **Retention of Examination Records.** The stan/eval function will retain graded exam answer sheets/computer records until AF Form 8 is completed.

6.3.4. **Examination Question Review.** The stan/eval function will review all MQFs and prepared exams for accuracy annually and after any changes in source documents. Units will document their procedures for reviewing and updating MQFs and prepared exams in their unit supplement to this instruction.

6.3.4. (AFSPC) OGVs/HF DOVs discovering discrepancies in any test bank will immediately notify 20 AF/DOHV of the question bank number, the error, and the suggested solution to ensure timely dissemination of information to other affected HFs.

6.3.5. **End-of-Course Examinations.** FTUs administering USAF Formal School courses listed in the *Air Force Education and Training Course Announcement (ETCA)* database (<https://etca.keesler.af.mil/>) may use end-of-course (EOC) examinations to fulfill the requirements of the open book, closed book and Boldface/CAPS (if applicable) requisite examinations.

6.3.5.1. The stan/eval agencies of the MAJCOM responsible for training will coordinate with the MDS lead command to ensure the EOC examination meets the requirements of this instruction and AFI 11-2 *MDS-Specific*, Volume 2, before awarding credit for requisite completion.

6.3.5.2. EOC examination test questions do not need to incorporate MAJCOM MQFs. All questions must reflect the latest changes to all systems and/or operational procedures and not conflict with any MQFs.

6.3.5.3. All EOC examinations that fulfill the requirements of requisite examinations will be graded according to paragraph 6.4.4.1. and entered on the AF Form 8 according to paragraph 7.3.5.1.

**6.4. Requisite Examinations.** Aircrew members will complete open book, closed book and Boldface/CAPs examinations (if applicable) as requisites for periodic QUAL evaluations (see paragraph 5.2.4.1.; instrument examinations as requisite for periodic INSTM evaluations (see paragraph 5.2.4.2. and any other examinations required by the appropriate AFI 11-2 *MDS-Specific*, Volume 2 (see paragraph 5.2.4.3.)).

6.4.1. **Instrument Examinations.** Pilots will take the instrument exam as specified in paragraph 5.2.1.2. of this instruction.

6.4.1. (AFSPC) 20 AF/DOHV will develop and distribute a new instrument exam to AFSPC HFs as required.

6.4.2. **Requisite Examination Management.** With the exception of written Boldface/CAPs examinations, maintain either requisite examinations for each crew position or generate a unique test for each aircrew member requiring an exam. If requisite examinations are maintained for each crew position:

6.4.2.1. Develop and control a minimum of two requisite examinations for each crew position.

6.4.2.1.1. Units having ten or fewer individuals per crew position require only one examination.

6.4.2.1.2. When different crew positions are responsible for the same information (for example, in two-place fighters, front and back seat or left and right seat pilots of the same aircraft), units are not required to maintain separate examinations for each crew position.

6.4.2.2. Change fifty percent of the questions on the requisite examinations every calendar year.

6.4.3. **Examination Security.** Stan/eval personnel will maintain positive control of all requisite exams, applicable answer sheets and associated computer based/electronic media. Instrument requisite exams and answer sheets associated with administration of the IRC may be controlled by the unit training function.

6.4.3. (AFSPC) OGVs/DOVs will maintain positive control of all requisite exams and answer sheets, including those for the IRC.

6.4.4. **Grading Policy For Examinations.**

6.4.4.1. **Minimum Passing Grade.** The minimum passing grade for Boldface/CAPs exams is 100 percent. The minimum passing grade for all other stan/eval requisite examinations is 85 percent - corrected to 100 percent.

6.4.4.2. **Requisite and Boldface/CAPs Examination Grading Restriction.** Units will grade all completed requisite and/or Boldface/CAPs exams prior to the aircrew member's next flight. Units will describe how this restriction is enforced in the unit supplement to this instruction.

6.4.5. **Examination Question Sources.**

6.4.5. (AFSPC) 20 AF/DOHV will develop all AFSPC H-1 master question files (MQFs) and secure question banks (SQBs). OGVs/DOVs will develop a minimum of two copies of each required exam for the units. These exams will be updated annually. Questions will be applicable to the examinee's crew position. Identify question sources on the cover sheet of each examination. HQ AFSPC/XONH will publish an index of the current MQFs and SQBs. This index will be updated and distributed to respective HFs when changes warrant.

6.4.5.1. **Open Book Requisite Exam.** Open book questions will come from publications containing information pertinent to the operation of applicable aircraft and performance of the assigned mission. The open book subject areas and the publications used to generate the exam will be made available to aircrew. Each unit may develop an open book secure question bank (SQB) that serves as the source for some or all of the open book examination questions. Do not distribute the SQB to unit aircrews and safeguard it in the same manner as any other required stan/eval examination.

6.4.5.1.1. (Added-AFSPC) Each unit will develop a MSN SQB to include questions representative of HF local procedures and/or unique missions/certifications, which are not covered in 20 AF-produced test banks. The local SQBs will only be used to supplement (not replace) requisite open book exams. OGVs/DOVs will maintain any local SQBs and will not disseminate these banks to individual HF aircrew members. OGVs/DOVs will include a minimum of 10 additional local MSN SQB questions in the MSN Open exam. HFs will forward local SQBs to 20 AF/DOHV.

6.4.5.1.2. (Added-AFSPC) OGVs/DOVs will develop and provide new 50-question QUAL open book exams annually for the following categories: pilots and flight engineers. The examination questions will be taken from the AFSPC QUAL SQB. Instructor pilots and instructor flight engineers will be given 20 additional questions from the AFSPC instructor SQB as part of the same exam.

6.4.5.1.3. (Added-AFSPC) OGVs/DOVs will provide new 50 question MSN open book exams annually for the following categories: pilots and flight engineers. The examination questions will be taken from all appropriate AFSPC SQBs (remote, NVG, tactical, formation etc.).

6.4.5.1.4. (Added-AFSPC) OGVs/DOVs will develop and maintain one 25-question FCF Open Book exam and one 25-question Marshaling exam from AFSPC test banks.

6.4.5.2. **Closed Book Requisite Exams.** Closed book questions will come from MQFs. These questions will emphasize system knowledge and information necessary for safe flight and mission accomplishment.

6.4.5.2. (AFSPC) Closed book exams measure knowledge of essential information critical to the safe and effective operation of the aircraft. Qual closed book exams include questions related to aircraft limitations, systems, normal and emergency procedures, and cautions and warnings. OGVs/DOVs will develop and maintain 25-question QUAL closed book exams. Pilots and flight engineers may take the same QUAL closed book exam. Closed book exam questions will be taken directly from the AFSPC QUAL MQF.

6.4.5.2.1. MDS-Specific MQFs. Lead command MAJCOMs will ensure MDS-specific MQFs containing approved questions for closed book testing are available for MAJCOM use and distribution to applicable aircrew.

6.4.5.2.1.1. The highest organization with a stan/eval function (NAF or unit) may develop, maintain and publish MQFs for weapons systems without MAJCOM expertise. That organization will submit these MQFs to the MAJCOM for approval prior to their publication.

6.4.5.2.1.2. MAJCOM OPRs will review MQFs annually and distribute changes to MQFs as necessary.

6.4.5.2.1.2.1. Units may edit MQFs to accommodate local testing procedures, administrative errors and reflect recent changes to systems and/or operational procedures; however, subject matter may not be changed.

6.4.5.2.1.2.2. Units will forward edits of MQF questions to the appropriate MAJCOM.

6.4.5.2.1.2.2. (AFSPC) HF's will send edits and changes to 20 AF/DOHV for implementation. 20 AF/DOHV will forward updated banks to HQ AFSPC/XONH.

6.4.5.2.1.2. (AFSPC) 20 AF/DOHV will review the AFSPC MQFs annually and coordinate changes with HQ AFSPC/XONH for dissemination to the HF's as necessary. HQ AFSPC/XONH will disseminate AFSPC MQFs to other H-1 MAJCOMs annually.

6.4.5.2.2. Local Procedures MQF. Units may develop and distribute a local procedures MQF to augment HHQ MQFs.

6.4.5.3. **Instrument Requisite Exams.** Instrument test questions come from the Instrument MQF maintained by the Air Force Flight Standards Agency (AFFSA). The selection and content of the questions is dictated by the provisions of AFMAN 11-210.

#### 6.4.6. **Boldface/CAPs Requisite Examinations.**

6.4.6.1. Aircrew member knowledge of applicable Boldface/CAPs will be evaluated through a written examination as a requisite to all periodic QUAL evaluations.

6.4.6.2. Satisfactory performance for the Boldface/CAPs examination requires writing the proper actions in the correct sequence, not necessarily a verbatim response. The flight examiner will assign a Boldface/CAPs grade (Q or U) in the Qualification Ground Phase block of the AF Form 8.

6.4.7. **Failure to Pass a Requisite Exam.** An evaluation will not be complete until all failed items have been successfully re-accomplished.

6.4.7.1. **Reexamination Policy.** An aircrew member failing a requisite examination or Boldface/CAPs at any time must be afforded an adequate study period prior to reexamination. For other than Boldface/CAPs, the aircrew member will be reevaluated using an alternate exam.

6.4.7.2. **Reexamination Period.** Aircrew members who fail a requisite examination must complete a successful reexamination by the end of the second month (AFRC/ANG: third month) following the date of the first failure. Waiver authority to extend the time allowed to successfully complete the examination is the OG/CC. Document such waivers with a Memo for Record placed in Section II of the FEF of the affected individual.

6.4.7.3. **Boldface/CAPs Reexamination Restriction.** Aircrew members failing a Boldface/CAPs exam will not fly as aircrew members until a successful reexamination is accomplished.

6.4.7.4. **Supervised Status Requirement.** Place aircrew members who fail a requisite open book, closed book, or instrument examination in supervised status until successful retesting is completed. For aircrew members who maintain multiple qualifications, supervised status resulting from failure of either an open or closed book examination applies only to the aircraft for which the

examination was administered. Failure of a requisite instrument exam results in the examinee being placed in supervised status in all aircraft flown.

**6.5. Unit Periodic Examinations (optional).** Each group/squadron stan/eval function may conduct periodic testing for all aircrew. The intent of this testing is to evaluate additional knowledge beyond the scope of requisite exams, such as a cross-section of general knowledge, tactical/threat knowledge, and/or operational procedures, etc., to determine if knowledge deficiencies exist within the unit. This exam may be open or closed book, but will not count as a requisite exam, nor will a requisite exam satisfy the requirement for a periodic exam. Units will describe this program in the unit supplement to this instruction, to include procedures for failed exams.

**6.5. (AFSPC) Unit Periodic Examinations (optional).** HFs are encouraged to develop and administer periodic informal testing programs to enhance aircrew proficiency. Periodic testing should cover a cross-section of general knowledge and be representative of unit missions to identify deficiencies in unit aircrew members. HFs will determine content, frequency and type (open or closed book) of periodic testing required. Disposition of those aircrew members failing to achieve a passing score on unit periodic tests is at the discretion of the HF/CC. MQFs may be used for informal periodic testing. Do not use the AFSPC (or unit developed) SQB for unit periodic examinations.

**6.6. Flight Surgeon Examinations.** Flight surgeons will complete an aircrew examination every 17 months for each aircraft in which they fly on as an aircrew member. The unit-developed Flight Surgeon Exam will cover, as a minimum, the emergency procedures applicable to the flight surgeon's crew position. Flight surgeons will not fly on any USAF aircraft as an aircrew member until successful completion of the exam. Units flying flight surgeons as aircrew members will document the results IAW procedures detailed in the unit supplement to this instruction.

**6.6. (AFSPC) Flight Surgeon Examinations.** OGVs/DOVs will develop and maintain a 20-question open book flight surgeon exam from AFSPC SQBs annually.

## Chapter 7

### EVALUATION DOCUMENTATION

**7.1. Scope.** Administration of the aircrew qualification evaluation program requires accurate documentation. The qualifications and authorizations to which an aircrew member is to be evaluated are determined from the unit certification document. The results of an evaluation are recorded on the AF Form 8, which then serves to certify the qualification of the aircrew member. The chronological history of evaluations for an aircrew member is recorded on an AF Form 942, **Record of Evaluation**. Both these AF Forms are maintained in the FEF for the aircrew member.

**7.2. Qualifications/Authorizations.** A certified ARMS product or a unit certification document signed by the official authorized to approve AF Forms 8 or other appropriate authority, designated in writing, may be used to indicate special qualifications/authorizations as required.

#### **7.3. AF Form 8, Certificate of Aircrew Qualification.**

**7.3.1. Purpose.** Use the AF Form 8 to record and to certify aircrew member qualification as demonstrated in required ground and flight evaluations.

7.3.1.1. Use a separate AF Form 8 for all flight phase rechecks.

7.3.1.2. Ground rechecks will be completed on the original Q-3 AF Form 8 (see paragraph [7.3.8.](#)).

**7.3.2. General Data Entry.** Use the following guidance when completing an AF Form 8 and see [Attachment 3](#) for sample AF Forms 8.

7.3.2.1. For date fields in the AF Form 8, use a two-digit day, three-letter month and two-digit year format (e.g., 25 Dec 01). (Exception: For electronic forms, use the date format required by the form.)

7.3.2.2. The Eligibility Period and Expiration Date of Qualification will use a three-letter month and two-digit year format (e.g., Apr 01) (except when a different format is required for electronic forms).

7.3.2.3. Except for the organization of the Comments block described in paragraph [7.3.5.8.](#), sample AF Forms 8 are provided to demonstrate the content, not the format, of the data presented (see [Figure A3.1.](#) through [Figure A3.5.](#)).

7.3.2.4. To facilitate the entry of data on the form, except where specifically noted otherwise, use upper and lower case letters.

7.3.2.5. Requirements for letter font, numbers of spaces for indentation and justification (right, left or centered) of data are not specified. MAJCOM supplements may direct specific format standards for such data entry.

#### **7.3.3. Date Completed.**

7.3.3.1. Use the latest completion date (ground or flight phase) of the evaluation requisites, not including additional training.

7.3.3.2. Use this date on the AF Form 942.

#### 7.3.4. Section I - Examinee Identification.

7.3.4.1. Name, Grade and Social Security Account Number (SSAN).

7.3.4.2. Organization and Location.

7.3.4.2.1. Use the unit designation and location that the examinee is assigned to or attached to for flying.

7.3.4.2.1. (AFSPC) Follow the example in AFI 11-202, Volume 2, **Attachment 3**. Use a one-line entry, e.g., 54 HF, Minot AFB, ND. For wing level attached aircrew put the home organization first, followed by the organization to which attached: e.g., 90 SW, 37 HF, F. E. Warren AFB, WY. For HHQ personnel, use their organization and office symbol: e.g., 20 AF/DOHV, F. E. Warren AFB, WY.

7.3.4.2.2. When attending a FTU course in which an evaluation is administered, the organization and location will reflect the FTU organization/location.

7.3.4.2.2. (AFSPC) The 512 SOS is the only FTU for the UH-1N. Follow the guidance in **paragraph 7.3.4.2.1** for formal course upgrades not conducted at the 512 SOS.

7.3.4.2.3. HHQ aircrew members may use their office symbol in place of the unit designation.

7.3.4.3. Aircraft/Crew Position.

7.3.4.3.1. Enter the aircraft MDS in which the evaluation was given.

7.3.4.3.1. (AFSPC) Use UH-1N as the aircraft MDS.

7.3.4.3.2. Enter the examinee's highest qualification in that particular aircraft MDS demonstrated during the evaluation. *Note:* Examiner is not a qualification, it is a certification, and should only be entered when demonstrated during the evaluation, e.g., a SPOT evaluation in which the examinee receives an evaluation while administering an evaluation.

7.3.4.3.2. (AFSPC) Follow the example in AFI 11-202, Volume 2, **Attachment 3**. Enter the examinee's highest qualification demonstrated during the evaluation. If the evaluation is failed, the highest qualification attempted, will be placed in the crew position block. Acceptable crew position prefixes include F (basic or non-mission qualified), M (mission qualified), and I (instructor). Acceptable crew position suffixes include C (copilot), F (flight engineer), P (pilot) and AP (photographer) (e.g. UH-1N/MC). *Note:* The E (flight examiner) prefix will only be used when demonstrated during the evaluation (e.g. SPOT evaluation).

7.3.4.4. Eligibility Period.

7.3.4.4.1. Enter the 6-month period preceding the expiration date from the last similar evaluation (e.g., if the last MSN evaluation expires Sep 02, enter Apr-Sep 02).

7.3.4.4.2. Enter N/A (not applicable) for initial periodic evaluations, periodic evaluations accomplished outside the examinee's normal eligibility period and SPOT evaluations.

7.3.4.4.3. For periodic evaluations where the evaluation expiration date of the previous evaluation is extended under the provisions of paragraph **5.2.6.4.**, enter the 6-month period preceding the original preceding the original expiration date. *Note:* Squadron commanders extend only the expiration date, not the eligibility period.

7.3.4.4.4. Dual entries are authorized for misaligned combined evaluations (e.g., if last INSTM evaluation expires Nov 02 and QUAL evaluation expires Jan 03, enter “INSTM: Jun-Nov 02/QUAL: Aug 02-Jan 03” for an INSTM/QUAL evaluation).

### 7.3.5. Section II - Qualification.

#### 7.3.5.1. Ground Phase.

##### 7.3.5.1.1. Examination/Check.

7.3.5.1.1.1. Make a separate entry for each ground requisite.

7.3.5.1.1.2. If requisites exceed available lines, make combined entries or document additional requisite completion in the comments section.

7.3.5.1.1.3. (Added-AFSPC) QUAL/INSTM Evals. Use the following entries for the Ground Phase Requisite section of the AF Form 8: QUAL Open, QUAL Closed, Boldface, EPE, and INSTM.

7.3.5.1.1.4. (Added-AFSPC) MSN Evals. Use the following entries for the Ground Phase Requisite section of the AF Form 8: Mission and EPE.

7.3.5.1.2. Date. In the date column, enter the date that the requisite is successfully completed.

##### 7.3.5.1.3. Grade.

7.3.5.1.3.1. Enter failed examination score with successfully completed score as follows: 84/98.

7.3.5.1.3.2. Enter failed Boldface/CAPs with successful re-accomplishment as follows: U/Q.

7.3.5.1.3.3. Separate Boldface/CAPs grades from other requisite examination grades when on the same line by enclosing them in parentheses as follows: 84/98 (U/Q).

7.3.5.1.3.4. Enter failed EPE grades with a successful recheck as follows: 3/1.

#### 7.3.5.2. Flight Phase.

##### 7.3.5.2.1. Mission/Check.

7.3.5.2.1.1. Use the following designations to describe the purpose of the evaluation(s): INSTM, QUAL, MSN, INSTR and SPOT.

7.3.5.2.1.2. Use the following prefixes, when applicable, to describe the type of evaluation: INIT, RQ, N/N and SIM. More than one prefix may be used to describe an evaluation as outlined in paragraph [5.2.3.5](#).

7.3.5.2.1.3. The only annotations of INSTR used are INIT INSTR and RQ INSTR as described in paragraphs [5.2.1.4.1](#) and [5.2.3.2.6](#).

7.3.5.2.1.4. Make a single line entry to document the flight(s)/event(s) used to complete the evaluation.

7.3.5.2.1.5. Make multiple single line entries for each flight/event if two or more flights/events are required and they are administered by either different flight examiners or on separate days (exception: where a single mission [such as airlift tasking] consists of multi-

ple flights over one or more days with the same flight examiner, a single line entry may be used).

#### 7.3.5.2.2. Date.

7.3.5.2.2.1. Enter the date the flight/event was completed.

7.3.5.2.2.2. For evaluations where a single mission consists of multiple flights over one or more days, a single line entry with the inclusive dates of the flight(s) may be used (see paragraph 7.3.5.2.1.4.). Document this fact in the Mission Description portion of the Examiner's Remarks.

7.3.5.2.2.3. For evaluations conducted on missions consisting of a single flight spanning more than one day, a single line entry with the date the mission was completed may be used. Document this fact in the Mission Description portion of the Examiner's Remarks.

#### 7.3.5.3. Qualification Level.

7.3.5.3.1. Place a "1" or "2" in the qualified block or a "3" in the unqualified block for the aircrew member's overall qualification level.

7.3.5.3.2. Combined evaluations (e.g., INSTM/QUAL, INSTM/QUAL/MSN) require only one qualification level number if all parts of the evaluation were awarded the same qualification level grade.

7.3.5.3.3. If the qualification levels assigned parts of a combined evaluation vary, indicate the qualification level for each part separately (e.g., "INSTM: 1" and "QUAL: 2" in the qualified block or "INSTM/MSN: 1" in the qualified block and "QUAL: 3" in the unqualified block).

7.3.5.3.4. In the event of a ground recheck for a flight phase Q-3 evaluation, annotate the overall qualification grade on the AF Form 8 (and AF Form 942) as "3/1" in the qualified block (see paragraph 7.3.8.).

#### 7.3.5.4. Expiration Date of Qualification .

7.3.5.4.1. For evaluations that establish a new eligibility period, enter the month and year that is 17 months after the month in which the flight phase of the evaluation was successfully completed.

7.3.5.4.2. For evaluations that do not establish a new eligibility period, enter "N/A."

7.3.5.4.3. Combined evaluations (e.g., INSTM/QUAL) require only one date if all parts of the evaluation were successfully completed and "N/A" if all parts were assigned an unqualified grade.

7.3.5.4.4. For a combined evaluation where one component is successfully completed and one component is assigned an unqualified grade, indicate by assigning a new expiration date for those portions completed successfully, and "N/A" for those portions awarded an unqualified grade (e.g., QUAL 1 and INSTM 3, then enter "QUAL-Jul 02 / INSTM-N/A").

#### 7.3.5.5. Restrictions.

7.3.5.5.1. Place an "X" in the applicable block.

7.3.5.5.2. List specific restrictions as the first item in the comments block.

7.3.5.5.3. (Added-AFSPC) If a previously imposed restriction is lifted, explain in the comment section of the AF Form 8, but do not mark the restrictions box if there are no restrictions remaining.

7.3.5.5.4. (Added-AFSPC) A valid date in the "Date Additional Training Completed" block of the AF Form 8 is sufficient to lift the restriction from performing instructor or evaluator duties after an evaluation graded Q2.

**7.3.5.6. Additional Training Due Date(s) .**

7.3.5.6.1. If required, enter a date not to exceed the last day of the second month (AFRC/ANG third month) following the event requiring additional training (e.g. 26 Jan 02 Flight Eval, 31 Mar 02 due date; [AFRC/ANG: 30 Apr 02 due date]); otherwise, enter "N/A."

7.3.5.6.2. If more than one date is required, preface the due dates with EPE or FLT (Flight) as appropriate.

**7.3.5.7. Date Additional Training Completed .**

7.3.5.7.1. Enter the date(s) the examinee completed additional training, otherwise, enter "N/A."

7.3.5.7.2. If more than one date is required, preface the date completed with EPE or FLT, as appropriate.

**7.3.5.8. Comments.**

7.3.5.8.1. Use the following headings and format in the space provided.

7.3.5.8.2. If more space is needed, continue on reverse side of the form typed head-to-foot.

7.3.5.8.3. At MAJCOM discretion, all comments, with the exception of restrictions and exceptionally qualified designation (if used), may be placed on the reverse side of the AF Form 8.

Restriction(s): if required.

Examiner's Remarks:

a. **Mission Description.** Mission descriptions should be of sufficient detail to verify that the significant required areas for the evaluation were accomplished. Comments addressing specific areas in which instructional ability was demonstrated are mandatory for all evaluations of instructors.

b. Discrepancies- (Document all discrepancies of Q- or U) or enter "NONE."

1. Ground. *Note:* Include date of Q-3 eval as follows: "(Date of Q-3: 16 Dec 02)."

2. Flight.

Use the following entries if appropriate:

C. Recommended Additional Training.

1. Ground.

2. Flight.

Reviewing Officer's Remarks:

Approving Officer's Remarks:

Additional Reviews:

7.3.5.8.3. (AFSPC) Comments will begin on the front of the AF Form 8 and will continue to the back if required. The first sentence of item A, Mission Description, explains the purpose of the evaluation (i.e. update 17-month cycle). Follow with a brief description of the weather, mission, and other relevant facts. Explain why specific required subareas were evaluated verbally, and whether the commander (or operations officer) attended the debriefing or was verbally debriefed. When two or more flights (with different examiners) are required to complete an evaluation, include a separate "Examiner's remarks" section for each examiner. The first flight examiner must explain why the flight is incomplete, indicate what areas were incomplete, make appropriate comments and follow with a signature block right of center on the page: First, M.I., Last, Rank, Duty Title. If the same examiner accomplishes the second flight, separate comments are not required. Refer to AFI 11-2H-1 V2 *H-1 Aircrew Evaluation Criteria* for additional required comments in the examiner's remarks section.

#### **7.3.5.9. Exceptionally Qualified Designation (Optional ).**

7.3.5.9.1. An exceptionally qualified comment can be awarded when, in the judgment of the examiner:

7.3.5.9.1.1. The aircrew member has demonstrated exceptional skill and knowledge in all phases of the evaluation; and

7.3.5.9.1.2. The aircrew member has not failed any requisite.

7.3.5.9.2. The designation will be annotated on the front of the AF Form 8, first line of the Comments section, on a single line, in all capital letters ("EXCEPTIONALLY QUALIFIED").

7.3.5.9.3. The designation can only be applied to the total evaluation - not to separate requisites.

#### **7.3.6. Section III - Certification.**

##### **7.3.6.1. Flight Examiner.**

7.3.6.1.1. The flight examiner signing Section III the Form 8:

7.3.6.1.1.1. Is responsible for the content of the AF Form 8.

7.3.6.1.1.2. Will always place an "X" in the remarks block and make comments in the comments block.

7.3.6.1.1.3. Will be the first dated signature on Section III of the AF Form 8.

7.3.6.1.2. If two or more flights are required to complete an evaluation, the flight examiner completing the evaluation will sign Section III of the AF Form 8.

7.3.6.1.3. If more than one flight examiner was involved in administering the in-flight portion of the evaluation, flight examiners other than the one signing Section III will enter remarks in the Comments block of the AF Form 8 describing those parts of the flight evaluation they evaluated and sign a signature block immediately adjacent their remarks as defined in the MAJCOM supplement to this instruction.

##### **7.3.6.2. Reviewing and Approving Officers .**

7.3.6.2.1. MAJCOMs will specify the reviewing and final approving officers in the MAJCOM supplement to this instruction for evaluations other than formal course evaluations at a FTU.

7.3.6.2.1. (AFSPC) Use Table 1 in this supplement for AF Form 8 review/approval guidance. Personnel receiving evaluations away from home-station will have AF Forms 8 reviewed by officers from their assigned unit. Exception: evaluations given at the formal schoolhouse will be reviewed/approved by schoolhouse personnel.

**Table 7.1. (Added-AFSPC) H-1 Evaluation/AF Form 8 Guidance.**

	Examinee	Evaluator	Reviewing Officer	Approving Officer
<b>1</b>	Assigned to Helicopter Flight	Any Qualified Flight Examiner	HF/DOV	HF/CC
<b>2</b>	HF/DO	HF/DOV, OGV or HHQ flight examiner	HF/DOV	HF/CC
<b>3</b>	HF/CC	HHQ Flight Examiner or OGV	HF/DOV	OG/CC
<b>4</b>	HF/DOV	HHQ Flight Examiner or OGV See note	HF/DOV	HF/CC
<b>5</b>	SW/SEF	Any Qualified Pilot Flight Examiner	HF/DOV	HF/CC
<b>6</b>	OGV	HHQ Flight Examiner	OGV	OG/CC
<b>7</b>	20 AF/DOH	Any Qualified Pilot Flight Examiner	20 AF/DOHV	20 AF/DO
<b>8</b>	20 AF Aircrew	Any Qualified Flight Examiner	20 AF/DOHV	20 AF/DOH
<b>9</b>	Aerial Photographer	Any Qualified Aerial Photographer Flight Examiner	AP/DOV	SCS/CC
<b>NOTE:</b> HF/DOV may receive a N/N SPOT evaluation administered by unit CC or DO. Table 1 serves as a guide for evaluation execution and AF Form 8 completion. Waivers to the above guidance will be coordinated with HQ AFSPC/XONH.				

7.3.6.2.2. For formal course evaluations at a FTU, the reviewing and approving officers will be assigned to the FTU.

7.3.6.2.3. The Reviewing and Approving Officers will ensure the recommended additional training is adequate to correct the noted deficiencies.

7.3.6.2.4. If a Reviewing or Approving Officer does not agree with the overall rating, the overall grade will not be changed. The Reviewer or Approver will mark the "Do Not Concur" block and will comment in the Comments section.

7.3.6.3. **Organization Block Format.** The format and content of data for the Organization block for the flight examiner, reviewing officer and final approving officer will be defined in the MAJCOM supplement to this instruction.

7.3.6.3. (AFSPC) The AF Form 8 “Organization block” for the flight examiner, reviewing officer and final approving officer will consist of organization and office symbol (i.e. 54 HF/CC, 37 HF/DOV, 76 HF/DO etc.).

7.3.6.3.1. (Added-AFSPC) The Date block for the Flight Examiner, Reviewing Official, Final Approving Official and examinee will be filled in by the individual signing the corresponding signature block. Do not type the date into the block. The date is considered to be part of the individual’s signature.

7.3.6.4. **Examinee.** The examinee will be the last dated signature on the AF Form 8.

### 7.3.7. **Temporary Evaluation Certification and Suspense .**

7.3.7.1. File a temporary flight evaluation certificate or a draft AF Form 8 in the aircrew member’s FEF immediately after the flight evaluation as a temporary record of the flight evaluation results.

7.3.7.1. (AFSPC) The completed AF Form 4068, **H-1 Helicopter Crewmember Flight Evaluation** with an overall grade written and the flight examiner’s signature on it can serve as a temporary record until the AF Form 8 and all phases of the evaluation are completed.

7.3.7.2. The temporary flight evaluation certificate will include examinee, examiner, type evaluation, qualification level, and date completed; list any discrepancies by area/subarea, any restrictions, any additional training and any additional training due dates; and must be signed and dated by the flight examiner completing the evaluation. Procedures concerning the temporary flight evaluation certificate will be outlined in the unit supplement.

7.3.7.3. Remove the temporary flight evaluation certificate when the permanent AF Form 8 is filed in the FEF.

7.3.7.4. MAJCOMs may establish a suspense for the insertion of the completed permanent AF Forms 8 in the FEF.

### 7.3.8. **Ground Rechecks.**

7.3.8.1. Ground rechecks are accomplished subsequent to the debriefing of an unqualified evaluation when the flight examiner deems a flight recheck unnecessary.

7.3.8.2. The ground recheck will be documented on the original AF Form 8 generated to document the Q-3 flight evaluation (see [Figure A3.5.](#)).

7.3.8.3. To document the ground recheck, follow instructions in paragraphs [7.3.3.](#) through [7.3.6.](#) except as noted below:

7.3.8.3.1. Date Completed. Use the latest completion date (ground phase or successful ground recheck) of the evaluation, not including additional training.

7.3.8.3.2. Flight Phase. Document the date of the ground recheck on a separate line as “GROUND RECHECK” below the flight evaluation entry under Flight Phase.

7.3.8.3.3. Qualification Level. Annotate the overall qualification grade as “3/1” in the qualified block.

7.3.8.3.4. Expiration Date of Qualification. For evaluations that establish a new eligibility period, enter the month and year that is 17 months after the month in which the ground recheck was successfully completed.

7.3.8.3.5. Restrictions. Place an "X" in the "Yes" block and list specific restrictions as the first item in the Comments block based on the original failed evaluation.

7.3.8.3.6. Examiner's Remarks: Recommended Additional Training. Document all recommended additional training associated with grading areas whose deficiencies will be remedied by a ground recheck under subparagraph labeled Ground.

7.3.8.3.7. The flight examiner that administered the flight evaluation will sign the front of the AF Form 8. If the recheck examiner is different than the initial flight examiner, the recheck examiner will sign and date an appropriate statement in the Comments/Examiner's Remarks.

**7.3.9. Commander-Directed Downgrade.** Any commander (squadron/detachment or above) in the aircrew member's chain of command may direct a downgrade to an intermediate level of qualification or unqualified status without administering an evaluation under the following guidance:

7.3.9.1. For flying-related cases, use for cause only, e.g., breach of flying discipline or flight safety - including incidents not observed by an examiner, or observed, but by an examiner of another aircrew specialty.

7.3.9.2. For non-flying-related cases, do not use as a substitution for, or in lieu of, administrative or judicial actions. Use in cases where such actions directly affect the commander's confidence in the aircrew member's flying or performance ability to safely operate the aircraft and/or equipment.

7.3.9.2. (AFSPC) Do not administratively downgrade incoming personnel qualified in the same MDS from their current aircrew qualification. Place a Memo for Record in the FEF in section 2 stating the capacity in which the inbound crewmember will be acting. Reflect this restriction in the unit Go/No Go book (letter of X's). Remove or change the MFR as the individual meets unit requirements to be qualified/certified in their aircrew qualification and in the unit mission. Certifications not held do not require documentation on this memorandum, lack of certification is reflected on the 1381 and the Letter of X's.

7.3.9.3. Commanders will direct local stan/eval function to prepare an AF Form 8 as follows:

7.3.9.3.1. Section I. Complete Section I as directed above.

7.3.9.3.2. Section II.

7.3.9.3.2.1. Enter the qualification(s) to be downgraded (i.e., QUAL, INSTM, MSN and/or INSTR) with the date of the situation that caused the downgrade in the appropriate flight or ground phase blocks.

7.3.9.3.2.2. Enter the grade and/or Qualification level (2 or 3) in the appropriate blocks.

7.3.9.3.2.3. Enter the additional training due date, if required.

7.3.9.3.2.4. In the comments section type "Commander-Directed Downgrade" followed by any restrictions, a detailed narrative of the situation causing the downgrade, related comments, any additional training requirements and/or actions necessary to regain qualifi-

cation (e.g., full RQ evaluation or ground recheck). Use the format listed in paragraph [7.3.5.8](#).

7.3.9.3.2.4. (AFSPC) Commanders will determine the type and amount of training and/or evaluations required to restore the individual to the previous qualification or an intermediate level. All training will be documented in a training folder. Commanders may use an existing formal course SOI or one locally developed. Notify 20 AF/DOH of intended course of action.

7.3.9.3.3. Section III. Only the commander directing the downgrade and the individual concerned will sign the AF Form 8. The directing commander will sign in the final approving officer block and “X” the remarks block. Additional reviews are at the MAJCOM discretion.

**7.4. AF Form 942, Record of Evaluation.** The AF Form 942 is an index providing pertinent information extracted from all the AF Forms 8 accomplished by the aircrew member.

7.4.1. **Data Entry.** The sample AF Form 942 is provided to demonstrate the content, not the format, of the data presented ([Figure A4.1](#)).

7.4.1.1. To facilitate the entry of data on the form, except type of evaluation designations in capital letters, use upper and lower case letters.

7.4.1.2. Requirements for letter font, numbers of spaces for indentation and justification (right, left or centered) of data are not specified. MAJCOM supplements may direct specific format standards for such data entry.

7.4.1.3. A one-line entry is used for all evaluations with the exception of those on which the qualification levels awarded portions of a combined evaluation are not all the same.

7.4.1.3. (AFSPC) For a single AF Form 8, which contains multiple mission upgrade evaluations, make only one entry on the AF Form 942 to reflect completion of the upgrade. The date on the AF Form 942 will be the latest completion date (ground or flight phase) of the evaluation not including additional training.

7.4.1.4. For combined evaluations in which different qualification levels are awarded to any of the portions, a single line entry will be made for each different qualification level awarded indicating which portions of the combined evaluation received that qualification level.

7.4.1.5. Use each AF Form 942 until it is filled or “Z” out any unused blocks.

7.4.2. **Type Aircraft.** Enter type MDS used during the evaluation as it appears in the Acft/Crew Position area under Examinee Identification of the subject AF Form 8.

7.4.3. **Type of Evaluation.** Enter type of evaluation (or applicable portions of a combined evaluation in which different qualification levels were awarded to different portions - see paragraph [7.4.1.4](#).) as it appears in the Mission/Check area under Flight Phase of the subject AF Form 8. If the evaluation did not include a flight phase, enter type of evaluation as it appears in the Examination/Check area under Ground Phase of the subject AF Form 8.

7.4.4. **Date Completed.** Enter date from the Date Completed area of the subject AF Form 8 (i.e., the latest completion date of the evaluation ground and flight phase requisites, not including additional training).

#### 7.4.5. **Qualification Level (Unit).**

7.4.5.1. Enter the appropriate qualification level as appears on the subject Form 8 (1, 2, 3 or 3/1).

7.4.5.2. Annotate the flying unit that administered the evaluation below the Qualification Level awarded. Flying unit as used in this paragraph will be defined in the MAJCOM supplement.

7.4.5.2. (AFSPC) Flying unit is defined as the unit to which the crewmember is assigned or attached.

7.4.6. **MAJCOM Change.** A one-line, undated entry containing MAJCOM title will be made for each change in the MAJCOM under which the individual is administered an evaluation.

7.4.7. **Computer Generated AF Forms 942.** Computer generated AF Forms 942 may be used as long as cumulative entries are retained. Electronic copies of the AF Form 942 should be forwarded with the FEF when the individual moves to a new squadron. If electronic backups are normally maintained on removable storage media (e.g., floppy disk) or are specifically prepared to facilitate transfer of an FEF, file the storage media behind the AF Form 972 in Section I of the FEF.

**7.5. Flight Evaluation Folders.** The FEF contains the source documents that constitute the history of flying qualification for each aircrew member. The AF Form 8 is the source document used to record and certify the qualification of an aircrew member. A complete history of the AF Forms 8 in an FEF is maintained on an accompanying AF Forms 942.

7.5.1. **Maintenance.** Each aircrew member who is on flying status (except flight surgeons) must have a FEF, which includes all AF Forms 8, AF Forms 942, and additional MAJCOM specified items.

7.5.1.1. The FEF must be maintained by a stan/eval functional office - normally in the organization to which the individual is assigned or attached for flying.

7.5.1.2. HHQ personnel on active flying status may have their FEFs maintained by the stan/eval function at their assigned stations.

7.5.1.3. The FEF for personnel in inactive flying status will be maintained with their Flight Records Folder (FRF).

7.5.1.4. FEF maintenance may be further defined in the MAJCOM supplement to this instruction.

7.5.1.4. (AFSPC) The host unit stan/eval office will maintain FEFs for attached personnel. Exception: Headquarters AFSPC flight examiners may maintain their own FEFs at their duty stations. Aerial photographers FEFs will be maintained in their DOV office.

7.5.1.5. Individuals assigned or attached to other than USAF units may use the format of the service of the unit of attachment to document their history of qualification.

7.5.2. **Contents of FEF.** Divide the FEF into two sections:

7.5.2.1. **Section I (left side).** This Section contains AF Forms 942, MAJCOM required items and those items authorized by the unit supplement to this instruction (e.g., logs of initial and annual reviews).

7.5.2.1.1. AF Forms 942 should be on top of this section, in chronological order with the most recent on top.

7.5.2.1.2. If used, file backup electronic storage media behind the AF Form 942 in Section I of the FEF.

7.5.2.1.3. If the FEF is not maintained at the same base with the individual's flight record, a copy of the most recent AF Form 1042, **Medical Recommendation for Flying or Special Operational Duty**, and AF Form 702, **Individual Physiological Training Record**, may be filed in this section. If used, place AF Form 1381, **USAF Certification of Air Crew Training**, or any certifications, qualifications, and/or authorizations in this section.

7.5.2.1.3. (AFSPC) AF Form 1381, **USAF Certification Of Aircrew Training**. The AF Form 1381 is filed behind the last AF Form 942 on the left side of the FEF. The AF Form 1381 is used to document aircrew certifications that do not require a recurring flight evaluation (i.e. low light certification, functional check flight, water operations and other unit specific missions (AFI 11-2H-1, Volume 1, *H-1 Helicopter Aircrew Training*)). Make a new entry on the AF Form 1381 stating the loss of certification whenever a crewmember is non-current in any certified event for more than 6 months, or fails a flight evaluation IAW the provisions of AFI 11-2H-1 Volume 1. If a crewmember fails a mission evaluation, the HF/CC will determine whether the crewmember needs to be decertified in any mission certifications. Strongly consider whether lack of knowledge or ability in the certification event contributed to the failure. Recertification will be conducted IAW the provisions of AFI 11-2H-1 Volume 1.

7.5.2.1.3.1. (Added-AFSPC) Name and SSN. Enter the individual's name (last name, first, and middle initial) followed by their social security number.

7.5.2.1.3.2. (Added-AFSPC) Training Requirement/Subject Title. Enter the certification as it appears in Table 2 of AFI 11-2H-1, Volume 2, *H-1 Helicopter Aircrew Evaluation Criteria*.

7.5.2.1.3.3. (Added-AFSPC) Date Completed. Enter the date the training was completed.

7.5.2.1.3.4. (Added-AFSPC) Certifying Official/Organization. The unit final approving officer is the certifying official for the AF Form 1381. Enter on the bottom of the block the name of the certifying official (first name, middle initial, last name) followed with their rank and office symbol. This format should be consistent with the signature block on the AF Form 8. Have the certifying official sign above their name.

7.5.2.1.3.5. (Added-AFSPC) If a loss of a certification occurs, complete a new AF Form 1381 annotating only certifications currently held by the individual. Return the old AF Form 1381 to the individual for their records.

7.5.2.2. **Section II (right side).** This Section contains AF Forms 8 and Memos for Record for all evaluations listed on the AF Forms 942 in Section I.

7.5.2.2.1. File AF Forms 8 in chronological order with the most recent on top.

7.5.2.2.2. Permanent Memos for Record documenting waivers, extensions and major discrepancies relating to qualification (see paragraph [7.5.5.1.1.](#)) are filed in chronological order with AF Forms 8.

7.5.2.2.3. Memos for Record documenting major discrepancies of a particular AF Form 8 will be filed on top of that Form 8 regardless of date the discrepancy is discovered.

7.5.2.2.4. Memos for Record documenting similar discrepancies found on multiple AF Forms 8 will be filed on top of the latest affected AF Form 8.

7.5.2.2.5. Copies of these source documents may be filed with other unit agencies for evaluation program management.

### 7.5.3. Description of Folders.

7.5.3.1. Folders must be letter size, able to separate contents into two sections and constructed of heavy stock (recommend press board folder or equivalent).

7.5.3.2. Standard 2 3/4-inch metal fasteners may be used.

7.5.3.3. Affix a label bearing the individual's name and SSAN to the inside back cover so that the folder may be identified when filed. Include additional information on the label if required.

### 7.5.4. Review of FEF.

7.5.4.1. **Initial Review.** The flying unit will review the FEF for all newly assigned aircrew members to establish their qualification prior to their first flight.

7.5.4.1. (AFSPC) The gaining unit DOV will review the FEF for all newly assigned personnel prior to the first flight. Determine the individual's current qualification, any required training and document any FEF discrepancies. The initial review is documented by completing a one-line entry stating "FEF Review." Accomplish the annual review during unit-specified intervals based on month of arrival, birth month, unit reference month or some other method. Document the specified time interval in the DOV continuity folder and record the annual reviews on the AF Form 942. By stating "Annual Review" complete any required memos for record during the initial review.

7.5.4.1.1. The reviewing organization is responsible for establishing the currency and qualification of the aircrew member as determined from the latest applicable documentation in Section II of the FEF. Following determination of the currency and qualification of the aircrew member, the unit maintaining the FEF is responsible only for documentation subsequently placed in the FEF.

7.5.4.1.2. If the FEF of HHQ personnel on active flying status is maintained by the stan/eval function at their assigned stations, that stan/eval function will also review the FEF prior to their first flight.

7.5.4.1.3. (Added-AFSPC) Building an FEF. When an individual reports to their first operational flying organization, DOV will build the individual's FEF and accomplish the initial review. Follow 7.5.3. to construct the folder, and use the original AF Forms 8 supplied from the schoolhouse. If the individual reported to the operational unit prior to attending the schoolhouse, make one entry on the AF Form 942 specifying assigned (or attached), and indicating the operational unit and report date [i.e., Assigned 40 HF, 26 May 2001, (AFSPC)]. Document the schoolhouse flight evaluations under the "assigned" comment. If the individual went to the schoolhouse prior to reporting to the operational unit, make two separate entries. The first entry reflects the schoolhouse [i.e., Attached 58 SOW, 9 June 2001, (AETC)]. Follow this with the information from the schoolhouse AF Forms 8. The second entry is for the operational unit to which the individual is assigned [i.e., Assigned 40 HF, 29 Aug 2001, (AFSPC)].

7.5.4.1.3.1. (Added-AFSPC) Document all certifications, except evaluator, on an AF Form 1381. Commanders may accept existing certifications IAW AFI 11-2H-1 Volume 2

by placing them on a new AF Form 1381, leaving the original date, and changing the “Certifying Official” block. Unit commanders will decertify individuals in any UH-1N certification requiring currency that is not maintained at the unit. Return old AF Form 1381 from the same MWS to the individual for their records. Do not discard old AF Forms 1381 from other MWS. Place the new AF Form 1381 on top of the old one.

7.5.4.2. **Annual Review.** As a minimum, the stan/eval function will review each FEF annually for expiration dates of required evaluations as outlined in the unit supplement to this instruction. The unit supplement will include how the annual review of FEFs is to be documented. An annual review of FEFs for personnel in inactive status is not required.

7.5.5. **FEF Discrepancies.** FEF Discrepancies include those of the AF Forms 8 and 942 contained therein.

7.5.5. (AFSPC) Once the aircrew member has signed the AF Form 8 it is a source document and will not be reaccomplished.

7.5.5.1. **Categories of Discrepancies.** Discrepancies are categorized by their impact on qualification.

7.5.5.1.1. Discrepancies that alter the qualification of the affected aircrew member are considered major.

7.5.5.1.2. Those discrepancies that do not alter the qualification of the affected aircrew member are considered minor and include typos, formatting and misspellings.

7.5.5.2. **Major Discrepancies Disposition.** Major discrepancies are documented on a permanent Memo for Record filed in Section II immediately above the affected AF Form 8, or in chronological order with the AF Forms 8 for items other than those found on AF Forms 8.

7.5.5.2. (AFSPC) The evaluator will not make pen and ink changes to major discrepancies (those that change the qualification level) on the AF Form 8).

7.5.5.3. **Minor Discrepancies Disposition.** Minor discrepancies are documented on a non-permanent record as defined by the unit supplement to this instruction.

7.5.5.3.1. The record of minor discrepancies is to be used to ensure standardization of AF Forms 8, AF Forms 942 and aircrew member FEFs.

7.5.5.3.2. Record of minor discrepancies need not reside in the FEF.

7.5.5.3.3. Any records of minor discrepancies kept in the FEF will be removed prior to any permanent change in station or status of the affected aircrew member.

7.5.5.4. **Corrections.**

7.5.5.4.1. **AF Forms 8.** As source documents, AF Forms 8 may be corrected by use of white-out/over-print or pen and ink alteration of the original document provided the flight examiner signing Section III of the Form 8 initials said correction.

7.5.5.4.2. **AF Forms 942.** AF Forms 942, not being source documents, may be altered without restriction to reflect the assignment of the affected aircrew member and the contents of Section II of the FEF.

7.5.6. **Transfer of FEF.** When custody of the FEF is transferred to a new unit or base:

7.5.6.1. **Retention of Records.** Retain all records in the folder until reviewed by the gaining unit. After review, return those forms not retained in the folder to the individual.

7.5.6.2. **Formal Training Graduates.** For Formal Training School graduates reporting directly to an overseas command for a short tour, retain formal training school records for transfer to the subsequent gaining unit.

7.5.6.3. **PCS of Individual.** Aircrew members will normally hand-carry their FEF with their FRF to the gaining organization.

7.5.6.3.1. When circumstances prevent this, the losing organization will mail the folder to the gaining unit.

7.5.6.3.2. Mail any flight evaluation records not included in the folder at time of transfer to the gaining organization with clear identification of the individual concerned.

7.5.6.3.3. When mailing an FEF or any of its contents, retain a copy until the gaining organization has received the original FEF.

7.5.6.3.4. If any FEF information is maintained electronically, a suitable storage media containing that information will be included with the FEF.

7.5.7. **Disposition of FEF.**

7.5.7.1. Dispose of the aircrew FEF according to AFMAN 37-139, *Records Disposition Schedule*, and this instruction.

7.5.7.2. Outdated certification letters, AFORMS products, Medical Recommendations and miscellaneous documentation identified during reviews will be returned to the aircrew member for disposal.

## Chapter 8

### ADDITIONAL PROGRAMS

#### 8.1. Flight Crew Information File.

8.1.1. **Publications Library.** Units will establish and maintain a FCIF Functional Publications Library according to MAJCOM directives. All publications in the library will be current and complete.

8.1.1. (AFSPC) The FCIF consists of instructions and technical orders. Locate the FCIF where it is readily accessible to aircrews for flight planning. Volumes from the FCIF are not to be removed unless signed out using an AF Form 614, **Charge Out Record**. The FCIF serves as the master copy for aircrew publications and must be accurately posted. Do not maintain FCIF library publications in other offices. Publications issued to aircrew members must mirror the FCIF. If required publications are on order, place a memo for record in the appropriate locations in the library binders, and write-in “on order” after the title of the publication in the FCIF index.

8.1.2. **Table of Contents.** Units will establish and maintain a table of contents for the FCIF Functional Publication Library containing, as a minimum, a listing of basic publications numbers and short titles. Publication dates, supplements and changes are not required.

8.1.2. (AFSPC) HQ AFSPC/XONH publishes an FCIF Index of Publications quarterly and provides periodic updates as required. The basic index will only be changed by HHQ directive. Units may add local publications as required. The index includes the number, title and effective date of required publications, along with effective dates of the most recent supplements, changes or messages and a list of required forms with most current date. HQ AFSPC/XONH designates which publications require printed copies in the FCIF. Units use the HQ AFSPC/XONH index as a minimum and file it in Part A of Volume I (Current Read File). Aerial photographers will incorporate their publications into their respective HF FCIF library. Changes to FCIF publications/index must be released by a part B FCIF message for publications that are maintained by individual crewmembers. Other publications/index changes may be affected by HHQ release of a new FCIF Index of Publications. Units will notify HQ AFSPC/XONH if they find a newer version of a publication on the AF Publications web site.

8.1.3. **Required Volumes.** The FCIF will consist of a minimum of four volumes. If the contents of any volume exceed the capacity of its binder, use an additional binder and identify the first and subsequent binders by a letter sequence (e.g., IIIA, IIIB). Label binders on the spine indicating Volume and Title as follows:

VOLUME	TITLE
VOLUME I	Current Read File
VOLUME II	Publications--Air Force Directives/MAJCOM Supplements
VOLUME III	Publications--MAJCOM/NAF/Local Directives
VOLUME IV	Flight Manuals/Checklists/Aircrew Aids/Technical Orders
VOLUME V	Flight Safety Information (optional)

8.1.3.1. Squadrons with both primary crewmembers and mission crewmembers may use separate sections in Volume I for mission crewmembers. In addition, these squadrons are exempt from the requirement to maintain mission crewmember checklists and aircrew aids in the FCIF volumes.

8.1.3.2. Volume I consists of a minimum of two parts including: Part A, Index (a table of contents listing all material contained in all FCIF volumes), and Part B, Current Read File (messages and directives of a temporary nature directly pertinent to the safe conduct of flight designated by the MAJCOM/DO or OG/CC as required to be read before flight). MAJCOMs may add additional components to Volume I, as appropriate.

8.1.3.2. (AFSPC) Volume I, Current Read File. Part A consists of the Table of Contents for the FCIF. Part B consists of all the current AFSPC Form(s) 80, **Flight Crew Information File**. Part C contains the current AFSPC FCB. Part D (if used) is the Unit Read File.

8.1.3.2.1. (Added-AFSPC) Part A of Volume I (Table of Contents) consists of the AFSPC provided index and any local additions to the FCIF.

8.1.3.2.2. (Added-AFSPC) Part B of Volume I will include the FCIF AFSPC Form 80 Index and all AFSPC Forms 80. Unit DOVs are the OPR for the AFSPC Form 80. AFSPC Form 80 entries will not exceed 3 months. Unit DOVs may reissue FCIFs upon expiration unless specifically directed to remove the FCIF by HHQ. Make read file entries under the following circumstances: for safety meeting minutes; to inform crewmembers of the latest hazards affecting the local flying area (i.e. CHUM); when a new FCB is posted; and for any critical information affecting flying operations needing dissemination to aircrew members prior to flight. Note: A separate part B message will not be issued when a publication change is released with the quarterly FCIF index/FCB. MAJCOM or NAF may direct unit DOVs to post certain information in the read file. Such information will be posted not later than the posting date, unless otherwise stated in the accompanying message.

8.1.3.2.2.1. (Added-AFSPC) Unit stan/eval will maintain an FCIF AFSPC Form 80 Index. Use AF Form 3126, **General Purpose**, electronic version. Label the title block, FCIF AFSPC Form 80 Index. Label the topic blocks, Subject, Index Number, Date Posted, Withdrawal Date, and Removed By. Maintain this form in the front of Part B. Use each form until full, and all FCIFs are withdrawn.

8.1.3.2.2.2. (Added-AFSPC) Use the AFSPC Form 80 as a cover sheet for all FCIFs. The body of the FCIF can be transferred to the front of the AFSPC Form 80 or carried as an attachment behind the AFSPC Form 80. If there are multiple topics from one originator, use one AFSPC Form 80. If there are multiple originators, use one AFSPC Form 80 per originator.

8.1.3.2.2.2.1. (Added-AFSPC) Date. Enter the date the FCIF was released by the originator.

8.1.3.2.2.2.2. (Added-AFSPC) From. Enter organization and office symbol of the originator of the FCIF (HQ AFSPC/XONH, 20 AF/DOHV or unit/CC or DOV). Ensure this matches the FCIF AFSPC Form 80 Index, released by section.

8.1.3.2.2.2.3. (Added-AFSPC) To. Enter the affected unit or organization (i.e. 54 HF).

8.1.3.2.2.2.4. (Added-AFSPC) Subject. Enter the subject or title of the FCIF. Ensure this matches the FCIF AFSPC Form 80 Index.

8.1.3.2.2.2.5. (Added-AFSPC) Authority. Enter the organization and office symbol of the office that tasks the FCIF to be posted. This will be HQ AFSPC/XO or the OG/CC.

8.1.3.2.2.2.6. (Added-AFSPC) Posting Date/Time. Enter the actual date and time the FCIF was posted (i.e. 12 Jul 01 / 0001L). Times will be local. Ensure the date matches the FCIF AFSPC Form 80 Index.

8.1.3.2.2.2.7. (Added-AFSPC) Withdrawal Date. Enter a date, not to exceed 3 months. Once this date is established, it is a “no later than” date. Items may be removed earlier than the withdrawal date if incorporated in the FCB or rescinded. Ensure this matches the FCIF AFSPC Form 80 Index.

8.1.3.2.2.2.8. (Added-AFSPC) Design Aircraft. UH-1N.

8.1.3.2.2.2.9. (Added-AFSPC) Index Number. Enter the last two digits of the current year follow by a chronological number for the FCIF (i.e. 01-09, 01-10, 01-11, etc.). Ensure this matches the FCIF AFSPC Form 80 Index.

8.1.3.2.2.2.10. (Added-AFSPC) Crew Position. Enter either ALL or the crew positions to which the FCIF applies (i.e., P, FE, AP and/or FS).

8.1.3.2.2.2.11. (Added-AFSPC) All FCIFs with publication changes will be posted IAW AFI 33-160 Volume 1, ***Publications Management Program***. The FCIF is considered a HHQ Supplement and will be formatted as directed.

8.1.3.2.2.3. (Added-AFSPC) Part C of Volume I is the AFSPC FCB. The AFSPC FCB is published quarterly with the FCIF index. It contains information that was contained in the FCIF, but has not yet been included in published guidance.

8.1.3.2.2.4. (Added-AFSPC) Part D of Volume 1 may be used as a unit-specific read file. This read file should be used to disseminate information to aircrews that is temporary and not of a critical Go/No-Go nature.

8.1.3.3. MAJCOMs may waive Volumes II-V requirements for special training units (e.g., Red Flag).

8.1.3.3. (AFSPC) Volumes II–V are not waived for any AFSPC unit, even if participating in a special training exercise.

**8.2. Go/No-Go Procedures.** Units will establish a positive control system that ensures aircrew members have completed all ground training and stan/eval items required for flight.

8.2.1. As a minimum, the Go/No Go system will monitor the training items from AFI 11-202, Volume 1, required for flight; the ground training items required for flight from AFI 11-2 *MDS-Specific*, Volume 1; the stan/eval testing items required for flight from AFI 11-202, Volume 2/MAJCOM Supp; any aircrew duty not involving flying (DNIF) status; and currency on all FCIF (Volume 1, Part B) items.

8.2.2. Units will define and publish their positive control system in the unit supplement to this instruction.

8.2.2. (AFSPC) HF crewmember positive control Go/No-Go procedures will include, but are not limited to, the following: current FCIF review, medical clearance, currency and required qualification/

certification for the intended mission. Aircraft commanders are responsible for ensuring all crewmembers have met all requirements prior to flight.

8.2.2.1. (Added-AFSPC) AFSPC Form 81, **FCIF Currency Record**. The AFSPC Form 81 documents aircrew review of the FCIF and the Current Read File. Aircrew members must review the volumes of the FCIF and initial the AFSPC Form 81 before their first flight. Entries may be made in pen or pencil. Prior to each flight, aircrew members review the Current Read File for new entries and enter the latest entry number and their initials on the AFSPC Form 81. Their initials indicate that they have read, understood and will comply with the new FCIF. At the beginning of a new calendar year, replace with a new card. The first entry will represent a comprehensive review of all existing entries. Indicate Current Read File review for crewmembers not assigned/ attached on the flight authorization with the latest entry number and initials.

8.2.2.2. (Added-AFSPC) Units must establish procedures to ensure FCIF review for aircrews operating away from home station.

8.2.2.3. (Added-AFSPC) Aircraft commanders are responsible for ensuring all crewmembers review the FCIF. When additional aircrews join enroute, they will be briefed on all applicable items.

**8.3. Electronic Data Storage.** Units may use electronic database files for record keeping, trend analysis, printing of standard forms, etc. Until adequate requirements for archiving and inspection of electronic files are approved, units will maintain hard-copy records as called for in this instruction.

## Chapter 9

### UNIT SUPPLEMENT

**9.1.** The purpose of the unit supplement is to document the processes by which units implement the requirements of this instruction. MAJCOMs will define the scope and content of unit supplements in their MAJCOM supplement. Post the unit supplement behind the basic instruction and MAJCOM supplement.

**9.1. (AFSPC)** Unit supplements to this instruction will address procedures for implementation of this instruction. Specifically, the contents will include, but are not limited to, local procedures that address the following: HF aircrew testing program (to include procedures for failed exams), trends tracking program, review and quality control of AF Forms 8, crewmember Go/No Go procedures, and the commander's no-notice program. Unit supplements will not be less restrictive than this instruction. Unit supplements will be coordinated with 20 AF/DOH prior to publication. Forward copies of unit supplements to HQ AFSPC/XONH and 20 AF/DOHV.

## Chapter 10

### FORMS PRESCRIBED

**10.1. AF Form 8, Certificate of Aircrew Qualification; AF Form 942, Record of Evaluation and AF Form 1381, USAF Certification of Aircrew Training.**

10.1.1. (Added-AFSPC) AFSPC Form 80, **Flight Crew Information File.**

10.1.2. (Added-AFSPC) AFSPC Form 81, **FCIF Currency Record.**

10.1.3. (Added-AFSPC) AFSPC Form 154, **Aircrew Evaluation Data.**

10.1.4. (Added-AFSPC) AFSPC Form 155, **Aircrew Testing Data.**

10.1.5. (Added-AFSPC) AF Form 614, **Charge Out Record.**

10.1.6. (Added-AFSPC) AF Form 3126, **General Purpose (8½" x 11")**

CHARLES F. WALD, Lt General, USAF  
DCS/Air & Space Operations

***Abbreviations and Acronyms***

**AF**—Air Force

**AFSA**—Air Force Flight Standards Agency

**AFI**—Air Force Instruction

**AFMAN** —Air Force Manual

**AFMC**—Air Force Materiel Command

**AFPD** —Air Force Policy Directive

**AFRC** —Air Force Reserve Command

**AGR** —Active Guard and Reserve

**ANG** —Air National Guard

**ARMS** —Aviation Resource Management System

**ART** —Air Reserve Technician

**AT** —Air Technician

**ATD** —Aircrew Training Device

**BMC** —Basic Mission Capable

**CAPs** —Critical Action Procedures

**CC** —Commander

**CCTS** —Combat Crew Training Squadron

**CMR** —Combat Mission Ready  
**CRM** —Cockpit/Crew Resource Management  
**DNIF**—Duty Not Involving Flying  
**DO** —Director of Operations  
**DRU**—Direct Reporting Unit  
**EOC**—End of Course  
**EP** —Emergency Procedures  
**EPE** —Emergency Procedures Evaluation  
**ETCA**—Education and Training Course Announcement  
**FCIF** —Flight Crew Information File  
**FEF** —Flight Evaluation Folder  
**FLT** —Flight  
**FOA**—Field Operating Agency  
**FRF** —Flight Record Folder  
**FTU** —Formal Training Unit  
**HQ** —Headquarters  
**HHQ** —Higher Headquarters  
**IAW**—In Accordance With  
**INIT** —Initial  
**INSTM** —Instrument  
**INSTR** —Instructor  
**IRC** —Instrument Refresher Course  
**MAJCOM** —Major Command  
**MDS** —Mission Design Series  
**MQF** —Master Question File  
**MR** —Mission Ready  
**MSN** —Mission  
**MTR** —Military Training Route  
**N/A** —Not Applicable  
**NAF** —Numbered Air Force  
**NAS** —National Airspace System  
**N-BMC**—Non-Basic Mission Capable

**N-CMR**—Non-Combat Mission Ready

**NMR**—Non Mission Ready

**N/N** —No-Notice

**OCR** —Office of Collateral Responsibility

**OG** —Operations Group

**OGV** —Operations Group Standardization/Evaluation

**OPR** —Office of Primary Responsibility

**PCS** —Permanent Change of Station

**PCA** —Permanent Change of Assignment

**QUAL** —Qualification

**Q** —Qualified

**ROA** —Remotely Operated Aircraft

**RQ** —Requalification

**SAV** —Staff Assistance Visit

**SEB** —Standardization/Evaluation Board

**SELO** —Standardization/Evaluation Liaison Officer

**SIM** —Simulator

**SQB** —Secure Question Bank

**SSAN** —Social Security Account Number

**STAN/EVAL** —Standardization/Evaluation

**TDY** —Temporary Duty

**U** —Unqualified

**USAF** —United States Air Force

### ***Terms***

**Active Guard and Reserve (AGR)**—Members of a Reserve component on active duty under Titles 10 U.S.C., 14 U.S.C., or full-time National Guard duty under 32 U.S.C. 502(f) for a period of 180 consecutive days or more. The tour purpose is organizing, administering, recruiting, instructing or training the Reserve components according to Subsection 101(d)(6).

**Additional Training** —Any training recommended by a flight examiner to remedy deficiencies identified during an evaluation that must be completed by the due date. This training may include self-study, ground instruction, ATD, simulator or flying. Additional training must include demonstration of satisfactory knowledge or proficiency to a flight examiner, supervisor or instructor to qualify as completed.

**Aircrew** —The total complement of crewmembers (primary crewmember, mission crewmember)

required to operate an aircraft and to complete an assigned mission. AFI 65-503, *USAF Cost and Planning Factors Guide*, lists authorized aircrew composition (In this instruction, “aircrew” is normally used in the plural and “aircrew member” in the singular. See AFI 11-401 for definitions of primary crewmember and mission crewmember.).

**Aircrew Training Device (ATD)** —A training platform suitable to conduct evaluations.

**Air Reserve Technician (ART)** —A civilian employee of the United States Air Force Reserve Command (AFRC) who provides permanent party support to an AFRC unit and occupies an AFRC Unit Manning Document military position in the unit comparable to his or her civilian position.

**Air Technician (AT)** —A civilian employee of the Air National Guard (ANG) who provides permanent party support to an ANG unit and occupies an ANG unit manning document military position in the unit comparable to his or her civilian position.

**Combat Crew Training Squadron (CCTS)/Formal Training Unit (FTU)** —A unit with a primary mission to train aircrew personnel according to approved syllabi.

**Debriefed Discrepancy** —Remedial action taken by a flight examiner to remedy a discrepancy noted during an in-flight or, if applicable, simulator evaluation. This action is accomplished during debrief of the evaluation wherein the flight examiner provides briefing/instruction concerning the discrepancy and determines that the examinee has gained the necessary knowledge or proficiency to remedy said discrepancy. The discrepancy area/subarea description is annotated with “Debriefed” in the Examiner’s Remarks section of the AF Form 8 Comments.

**Eligibility Period** —The 6-month period prior to the expiration date of an evaluation.

**Emergency Procedures Evaluation (EPE)** —A flight, aircrew training device or verbal evaluation used to evaluate emergency procedures and systems knowledge.

**Evaluation** —1) Procedure to determine the effectiveness of the performance of an instructional product or process in order to ascertain specific causes for the effectiveness or lack of it, and to make decisions appropriate to the extent of the effectiveness. Evaluation of formal courses includes field evaluation and internal evaluation. 2) The review and analysis of qualitative or quantitative data obtained from design review, hardware inspection, testing or operational use of equipment. See also Joint Pub 1-02.

**Education and Training Course Announcement (ETCA)** —Air Force Database located at URL: <https://etca.keesler.af.mil/> that incorporates all the information previously contained in AFCAT 36-2223, *USAF Formal Schools Catalog*. ETCA is prescribed by AFI 36-2201, Chapter 8, *Formal Training*.

**Flight Crew Information File (FCIF)** —A collection of publications and material determined by the MAJCOM and unit as necessary for day-to-day operations.

**Flight Evaluation Folder (FEF)** —A two-part folder containing the source documents that constitute the history of flying qualifications of each aircrew member.

**Flight Examiner** —An aircrew member designated to perform evaluation duties as specified by this instruction. Flight examiners must be current and qualified in the events they evaluate (exception: SPOT evaluations). *Unit Flight Examiners* include squadron flight examiners assigned to the flying squadron, OGV flight examiners assigned to the OGV but attached to the flying squadron and other Wing individuals tasked with flight examiner duties assigned above the squadron level. *HHQ Flight Examiner* is a flight examiner assigned to a NAF or MAJCOM. *Senior Flight Examiners* are senior flying

commanders - specifically flying NAF/CCs and OG/CCs - that act in the capacity of flight examiners.

**Ground Recheck** —A procedure used by an examiner to remedy an unqualified evaluation that does not entail in-flight or simulator demonstration on the part of the examinee.

**Initial Evaluation** —The first evaluation of any type for a crew position in an MDS (e.g., INIT QUAL/INSTM, INIT MSN, INIT INSTR).

**Instructor Evaluation** —An evaluation that certifies and maintains instructor qualification of the examinee. Includes evaluations that initially qualify and requalify an aircrew member as an instructor in a MDS aircraft (i.e., INIT INSTR and RQ INSTR) as directed in AFI 11-2 *MDS-Specific*, Volume 1.

**Instrument Evaluation**—Qualifies an aircrew member to operate in instrument meteorological conditions.

**Lead Command** —The Air Force MAJCOM or agency possessing an MDS that is designated by AFPD 10-9 as responsible for the coordination of MDS-specific activities.

**Master Question File (MQF)** —Question bank used to construct closed book exams. Aircrew members have access to MQFs.

**Mission Evaluation** —Qualifies an aircrew member to employ the MDS of the unit in accomplishing the unit's operational mission.

**No-Notice Evaluation** —An evaluation where the examinee is notified of the evaluation at or after the beginning of normal preparation for the mission.

**Office of Collateral Responsibility (OCR)** —Any headquarters, agency, or activity having coordinating functional interest in, and responsibility for, a specific action, project, plan, program or problem.

**Office of Primary Responsibility (OPR)** —Any headquarters, agency, or activity having the primary functional interest in, and responsibility for, a specific action, project, plan, program or problem.

**Operations Group Commander (ANG/AFRC)** —ANG/AFRC may use Air Operations Officer/Operations and Training Officer, if appropriate, when Operations Group Commander (OG/CC) is referenced.

**Qualification Evaluation** —Qualifies an aircrew member to perform the duties of a particular crew position in the unit aircraft.

**Requalification Evaluation** —An evaluation administered to remedy a loss of qualification due to expiration of a required periodic evaluation, loss of currency exceeding 6 months (as specified in applicable AFI 11-2 *MDS-Specific*, Volume 1) or a recheck following a failed evaluation.

**Requisites** —Requirements such as exams, EPEs, Boldface/CAPs, etc., that have to be accomplished before an evaluation is considered complete.

**Recheck** —A subsequent evaluation used to remedy a failed evaluation.

**Secure Question Bank (SQB)** —Questions used to construct open book examinations. Aircrew members do not have access to the SQB.

**SPOT Evaluation** —An evaluation other than one used to satisfy the requirements of a periodic, initial instructor or requalification instructor evaluation.

**Squadron Supervisor** —Any of the following: squadron commander, operations officer, assistant

operations officer, flight commander or person specifically designated by the squadron commander.

**Stan/Eval Board (SEB)** —A forum convened at the group level to review and resolve aircrew-related issues.

**Stan/Eval Function** —An organization at appropriate echelons of command that accomplishes the objectives of this instruction.

**Standardization/Evaluation Liaison Officer (SELO)** —An individual (officer or enlisted) tasked to perform squadron stan/eval administrative duties.

**Student Aircrew Member** —An aircrew member enrolled in a formal course or training under a MAJCOM approved syllabus.

**Supervised Status** —The status of an aircrew member who must fly under the supervision of either an instructor or a designated supervisor (as specified in the applicable AFI 11-2 *MDS-Specific*, Volume 1) qualified in that specific aircrew position. The flight examiner determines when supervision is required. The type of supervisor, i.e., instructor or designated supervisor, is as specified in the applicable AFI 11-2 *MDS-Specific*, Volume 1, or as determined by the squadron commander.

**Supplementary Evaluation Program** —Unit directed evaluation of unit activities other than the flight evaluations listed in this instruction (e.g., IRC, Radio Communications, Life Support, Aero Club).

**Trend Program** —Analysis designed to identify areas requiring attention, monitoring or correction.

**Unit** —A level of organization under HHQs (MAJCOM and/or NAF) required to establish a stan/eval function (normally this is an operations group and consists of both the group and flying squadrons).

**User Command**—Any Air Force MAJCOM/agency, other than the lead command, that possess a MDS.

**Attachment 2****STAN/EVAL BOARD MINUTES**

**NOTE:** The information below is an example of the minimum information a Board should address.

MEMORANDUM FOR (SEE DISTRIBUTION)

FROM: (UNIT'S COMPLETE ADDRESS)

SUBJECT: STAN/EVAL BOARD MINUTES

1. Personnel Attending: (name and organization)

2. Overview:

a. Manning. (Enter any stan/eval manning problems discussed or deviations from authorized manning. Record all current flight examiners including attached HHQ and/or attached squadron flight examiners.)

b. Summary.

(1) Evaluations. Report EP and Flight evaluations by crew position and type of evaluation (INSTM, QUAL and MSN as outlined in the appropriate AFI 11-2 *MDS-Specific*, Volume 2). Include SPOT, N/N, and INIT INSTR evaluations, when applicable. Show qualification levels, sub-levels and rates (Rate = # given divided by total given).

(a) Q-1s

(b) Q-2s

(c) Q-3s

(d) Total evaluations for each crew position

(2) Examinations. Report examination results by crew position and type of examination (open book, closed book and boldface/CAPs).

(3) Waivers and Extensions. Identify all waivers and extensions granted to extend the period of qualification (see paragraph [5.2.6.4.](#)), preclude re-accomplishment of requisites (see paragraph [5.2.15.](#)), extend recheck periods (see paragraph [5.2.13.1.](#)), extend additional training periods (see paragraph [5.2.12.2.4.](#)) and extend periods to re-accomplish examinations (see paragraph [6.4.7.2.](#)).

(4) Trends. Identify new, continuing and resolved trends. Where necessary, report corrective action as OPEN/CLOSED, the OPR(s) and any suspense date.

(5) Report progress toward achievement of no-notice requirements, if applicable.

c. Aircrew Flight Publications Program. Review open AF Forms 847.

d. Supplementary Evaluation Program. Report results of evaluations conducted.

e. MTR and Air Refueling Track Reviews (annotate date completed or "N/A" as applicable - see paragraph 3.2.2.10.).

3. Old Business. Enter the disposition of any items left open at the last Board meeting. If final action was taken on an item during the quarter, state the action taken and then close the item if closure is approved by the Board Chairman. If an item remains open, list the action taken since the last Board. Findings from formal stan/eval inspections will be addressed and covered until they are closed out.

4. New Business. Enter all new business discussed during the Board. The new business items are those included on the published agenda along with any unplanned items discussed.

5. Other: This is an optional paragraph that can be used as necessary.

6. Problems Requiring HHQ Assistance: Enter problems that, based on Board resolution, require HHQ assistance. The assistance may be in any form (for example, staff assistance visit requests, clarification of directives, change of directives, and so forth).

## AF FORM 8, MAY 85 CONTINUATION SHEET

## EXAMINER'S REMARKS:

[Fig. A3.1. Continued, Example 1, Back]

## A. Mission Description.

First Sortie: The examinee's mission consisted of a single-ship departure, high bombing at Smoky Hill Range, a TAL maneuver for CALCM employment and transition at Barksdale AFB. Examinee performed a no-flap ILS missed-approach and 6-engine localizer touch-and-go. The examinee instructed the following areas: bomb run, ILS flaps up, ILS 6-engine, localizer 6-engine touch-and-go, visual pattern with simulated engine loss on takeoff.

FRANK T. STRONG, Major  
93BS/FE

Second Sortie: The examinee's mission consisted of a single-ship departure, air refueling on AR 116W, high bombing at Harrison and La Junta ESS, and transition at Barksdale AFB. Examinee performed an ILS touch-and-go. The examinee instructed the following areas: air refueling boom limits.

## B. Discrepancies. None

## AF FORM 8, MAY 85 CONTINUATION SHEET

[Fig. A3.3. Continued, Example 3, Back]

## EXAMINER'S REMARKS:

A. Mission Description. The sortie was flown as scheduled with air refueling on AR-107, low level on IR-75 and transition at Charleston AFB, SC. Examinee provided instruction throughout all phases of flight to included simulated emergency procedures in the traffic pattern, ILS to missed-approach, PAR, TACAN approaches and touch-and-go landings.

## B. Discrepancies.

## 1. Ground (EPE). (Date of Q-3: 16 Dec 00)

Area 20. Boldface Emergency Procedures - U. The examinee performed Boldface out sequence during Abort procedures.

## 2. Flight.

Area 1. Directives and Publications - Q- debriefed. Required annotations were missing in the T.O. 1C-17A-1. Annotations corrected during debriefed.

Area 4. Safety Consciousness (Critical) - U. The flight examiner intervened during final approach to prevent an unsafe landing.

Area 16. Landings - U. Examinee held excessive final approach speed that resulted in a long landing. Landed well left of centerline with an incomplete flare resulting in a firm landing.

## C. Recommended Additional Training.

1. Ground (EPE). Examinee will review all aspects of abort procedures, to included boldface, with an IP. An EPE recheck must be accomplished prior to flight evaluation.

2. Flight. Fly a minimum of two IP supervised sorties emphasizing proper landings. Flight recheck must be accomplished for Areas 4 and 16.

## AF FORM 8, MAY 85 CONTINUATION SHEET

[\[Fig. A3.5. Continued, Example 5, Back\]](#)

## EXAMINER'S REMARKS:

A. Mission Description. The sortie was flown as a channel mission Travis - Elmendorf - Travis with 14 pallets of cargo and 26 passengers.

B. Discrepancies.

1. Ground. None.

2. Flight. Sub-Area 14. Cargo Loading - U. Failed to identify and then used a defective cargo tie-down chain. Evaluator intervened before takeoff.

C. Recommended Additional Training.

1. Ground. Will review and then demonstrate to an instructor, the markings on and the restrictions affecting the MA-7J4 tie-down chain. Ground recheck required.

2. Flight. None.

ADDITIONAL EXAMINER REMARKS: Ground recheck successfully accomplished on 11 Apr 01. No further action required.

PAUL M. GOOD, MSgt, USAF  
Chief, Evaluator Loadmaster

**SAMPLE AF FORM 942**

[illegible]

## Attachment 5

### RECOMMENDING CHANGES TO AF PUBLICATIONS

**A5.1. General .** The stan/eval function is responsible for the orderly and efficient processing of recommended changes to Air Force publications at each command level. Unless different guidance is provided by the appropriate AF publication OPR, submit recommended changes and improvements to Air Force publications on AF Form 847 according to the procedures below and in AFI 11-215, Attachment 3 (covering completion of the Form). Submit recommended changes for conditions that have negative effects on operational efficiency, to correct content errors or to recommend improved procedures or processes. Do not use the AF Form 847 to call attention to typographical, printing or quality errors unless they cause misinterpretation. Such deficiencies can be remedied by direct communication with the AF publication OPR.

#### **A5.2. Processing AF Forms 847.**

A5.2.1. Submit and process all AF Forms 847 through MAJCOM channels as outlined in the MAJCOM supplement to this instruction, in accordance with routing as outlined in [Figure A6.1.](#) and in compliance with instructions in AFI 11-215, Attachment 3. ANG units will utilize the NAF/MAJCOM command structure with oversight responsibility. Units will submit AF Form 847s electronically to the maximum extent possible.

A5.2.2. At each level the stan/eval function will document receipt of original AF Forms 847, ensure the AF Form 847 reaches the appropriate functional OPR at that level for review, forward approved original AF Forms 847 to the next command level while informing the preceding command level of disposition (positive and negative) with comments. The advent of electronic Forms 847 may allow each level to inform all levels below (including the originator) of such disposition. The goal is to keep each command level and the originator advised of the progress and disposition of a submitted AF Form 847.

A5.2.3. The parent MAJCOM of the originator will forward the reviewed original AF Form 847 to the AF publication OPR. Once the AF publication OPR decides on disposition of the AF Form 847, the AF publication OPR will notify the submitting, parent MAJCOM as to disposition. The parent MAJCOM will then inform the lower command levels of the disposition of the original AF Form 847.

A5.2.4. The parent MAJCOM of the originator will simultaneously forward information copies of AF Forms 847 to all other MAJCOMs that utilize the subject AF publication. The other using MAJCOMs may forward comments on the information AF Form 847 suggestions to the AF publication OPR.

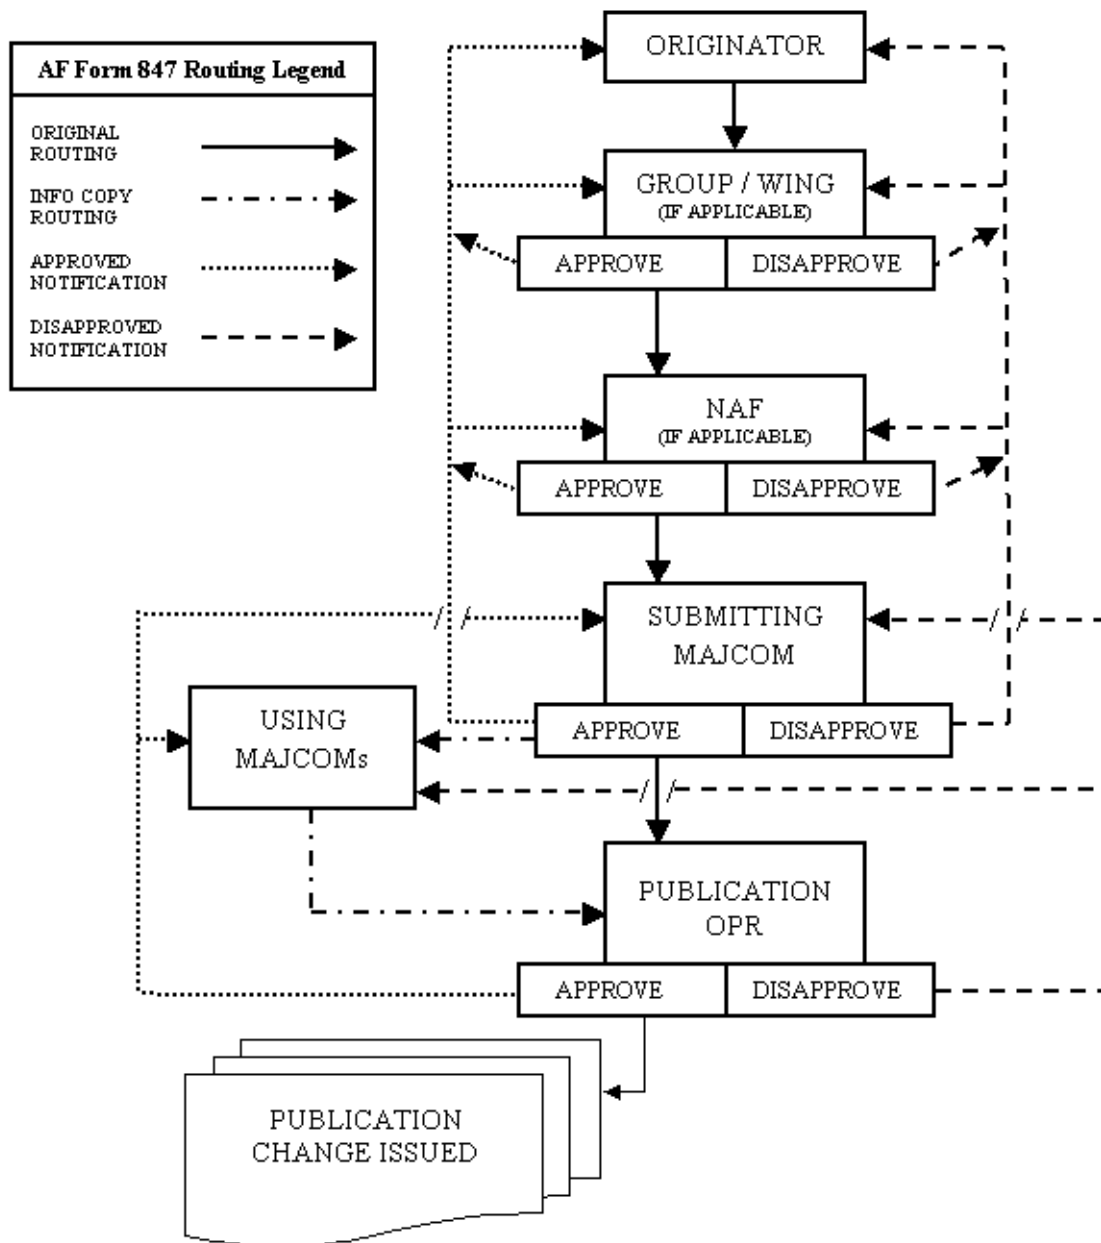

A5.2.5. An AF Form 847 may be disapproved by any command level reviewing the original AF Form 847. All disapproved recommendations will be returned to the submitting command level with justification annotated on the AF Form 847 stating the reason for the disapproval. MAJCOMs may address how to resubmit an AF Form 847 disapproved at a command level below the AF publication OPR in their supplement to this instruction.

A5.2.6. The movement and disposition of the original AF Form 847 will be tracked by the stan/eval function at all command levels that review the original AF Form 847. There is no requirement to track receipt or disposition of information copies of an AF Form 847.

## Attachment 6

# ROUTINE AF FORM 847 PUBLICATION ROUTING PROCESS

Figure A6.1. Routine AF Form 847 Publication Routing Process.

**Attachment 7 (Added-AFSPC)****FLIGHT EXAMINER APPOINTMENT LETTER**

1. Stan/Eval Orientation: (Training to be conducted by the current Chief of Stan/Eval unless otherwise indicated.)

Date    Init

- a. Commander's introduction and review of stan/eval mission, philosophy, duties and responsibilities (HF/CC).
- b. Thorough review of **AFI 11-202 V2**, **AFI 11-2H-1 V2**, as supplemented, and grade sheets.
- c. Introduction to administrative procedures, including AF Form 8 preparation, testing procedures, FCIF procedures and the DOV continuity book.
- d. Thorough review of all elements on HHQ aircrew standardization and evaluation inspection checklist(s).

2. Flight Evaluations: (Training to be conducted by a current examiner. Training is not required for previously qualified flight examiners at the unit commander discretion.)

Date    Init

- a. Observe a complete flight evaluation, to include the publications check, EPE, briefing, evaluation, debriefing and administrative paperwork.
- b. Demonstrate a complete flight evaluation, to include forms completion, under the supervision of a current examiner.

IMA HELO PILOT, Maj, USAF

Commander, XX Helicopter Flight
